- Clarity on why the beach concessions have been change to land concessions this year. Could have liability implications on the adjacent land owner.
- Er mwyn ffurfioli'r broses, penderfynnwyd gwahodd ceisiadau ar gyfer consesiynau ar y traeth a'r prom eleni. Mae trwyddedau defnydd tir wedi eu paratoi. Mae gen i ofn nad ydwi'n ymwybodol o'r broses cyn eleni gan nad oedd yr adran eiddo ynghlwm a'r broses. Gellir darparu copi draft o'r drwydded os ydi hyny'n help.

In order to formalise the process, the property department invited applications for beach concessions this year. The department have land use licences prepared. Copies of the licences can be provided.
