Gwynedd Council has an effective Internal Audit Service which complies with the standards of the CIPFA Code of Practice for Internal Audit, except for the independence standard

- 1. The Code of Audit Practice issued by the Auditor General and the International Standard on Auditing (ISA) 610 require us to consider whether the internal financial control arrangements of Gwynedd Council (the Council) are adequate. As Internal Audit is a key element of the system of internal control we complete an annual assessment of its performance.
- 2. We have assessed Internal Audit against its professional standards as set out in the Chartered Institute of Public Finance Accountants' (CIPFA) Code of Practice for Internal Audit in Local Government in the United Kingdom 2006. Where these standards are met, wherever possible, we will seek to rely on its work when documenting or testing the Council's financial systems as part of our accounts audit. The level of reliance will be determined by the results of a review of that work. Further information of the individual aspects covered by each standard can be found in Appendix 1.
- 3. Our assessment of Internal Audit's performance against each of the standards is set out in Exhibit 1.

Exhibit 1: Internal Audit complied with most aspects of the standards

Standard and aspects Standard met/Comment		Standard met/Comment
1	Scope of Internal Audit	Yes
2	Independence	Partly. The Head of Internal Audit also has operational responsibility for risk, insurance and benefits fraud and is the Council's deputy Section 151 officer. This is not consistent with the standard, which states that the Head of Internal Audit should have no operational responsibility. We understand that the Council does not intend to change the role of the Head of Internal Audit and will manage this risk. However, Internal Audit will not fully comply with this standard whilst this operational arrangement is in place.
3	Ethics for internal auditors	Yes
4	Audit Committee	Yes
5	Relationships	Yes
6	Staffing, training and continuing professional development	Yes

Sta	ndard and aspects	Standard met/Comment
7	Audit strategy and planning	Yes
8	Undertaking audit work	Yes
9	Due Professional Care	Yes
10	Reporting	Yes
11	Performance quality and effectiveness	Yes

Recommendations
