

GWYNEDD COUNCIL

COMMITTEE	AUDIT COMMITTEE
DATE	12 JULY 2011
TITLE	INTERNAL AUDIT PLAN 2011/12
PURPOSE	TO GIVE THE COMMITTEE AN UPDATE ON PROGRESS AGAINST THE 2011/12 INTERNAL AUDIT PLAN
AUTHOR	DEWI MORGAN, SENIOR MANAGER AUDIT & RISK
ACTION	FOR INFORMATION

1. INTRODUCTION

1.1 This report is a progress report on completion of the 2011/12 internal audit plan.

2. SUMMARY OF PROGRESS AGAINST THE PLAN

2.1 The 2011/12 internal audit plan is included in the appendix to this report, with the current status of the work shown, together with the time spent on each project as at 1 July 2011. The current status of the work in the operational plan is as follows:

Audit Status	Number
Planned	56
Working Papers Created	5
Field Work Started	23
Field Work Completed	3
Draft Report Issued	2
Final Report Issued	16
Total	<u>105</u>

2.2 The performance target for 2011/12 is to have 95% of the audits in the plan to be either closed or with the final report released by 31 March 2012. The quarterly profile of this indicator is as follows:

End of quarter 1	20%
End of quarter 2	40%
End of quarter 3	60%
End of quarter 4	95%

2.3 As seen from the table above, Internal Audit's actual achievement up to the end of the first quarter was 15.28% - out of 105 individual audits contained in the 2011/12 revised plan, 16 had been released in a finalised version by the end of the quarter. Performance is therefore lower than the profile set.

2.4 However, it is noted that for 42% of the audits in the plan, field work has at the least started, which gives confidence that the target will be achieved by the end of the year, and there is a strong possibility that progress will be consistent with the profile by the end of the second quarter.

3. AMENDMENTS TO THE PLAN

3.1 There are no amendments to the plan to report to this meeting.

4. RECOMMENDATION

4.1 The Committee is asked to note the contents of this report as an update on progress against the 2011/12 audit plan, offer comments thereon and accept the report.
