

COMMITTEE	LANGUAGE COMMITTEE
DATE	June 26, 2014
TITLE	The Committee's Work Programme
RECOMMENDATION	To agree the programme, adding to it as required
AUTHOR	Equality and Language Officer

1. Background

- 1.1. In October 2013, following discussion at the previous Committee on 27 June, a draft Work Programme was presented. The table below updates the Programme for the next few months. It includes items raised by Members as well as standing items, such as language complaints. Since we are uncertain of the exact requirements, time has been set aside at each meeting for an item on the Language Standards.
- 1.2. Further items will obviously arise at subsequent meetings, and so the following programme represents a very basic outline.
