Key Question 3: How well do the learning experiences meet the needs and interests of learners and the wider community?

Grade 1: Good with outstanding features

169 The school provides extensive opportunities for the development of pupils' and students' social, moral and cultural development.

170 Respect for other people is evident throughout the school and pupils and students accept responsibility and display self-discipline. Many pupils collect money for worthwhile causes.

171 The provision for the spiritual development of pupils is not so effective. Daily acts of collective worship do not challenge and enrich pupils' spiritual experiences.
