To grant permission to the Education Department to hold formal meetings with the governing body and other relevant stakeholders to discuss a range of potential options for the school's future.

As a result of the current low numbers, the school is in a fragile position and under increasing budgetary pressures. Officers from the Education Department have already held initial meetings with the school's governing body to explain the reasons for the need to discuss the future of Ysgol Llanaelhaearn, and the arrangements for holding local discussions.

<b>Date of Cabinet Meeting:</b>	4 June 2019

### **SUBJECT**

Item 7: TO PROMOTE INDEPENDENCE BY INCREASING CAPACITY, DEVELOPING SERVICES AND CHANGING CULTURE WITHIN THE OCCUPATIONAL THERAPY PROVISION

---

### **DECISION**

Resolved to earmark £116,000 in one-off resources from the Transformation Fund to finance an Occupational Therapy Leader post who will be responsible for leading and developing the Occupational Therapy service across the Adults, Health and Well-being Department (for a two-year period).

---

### **REASONS FOR THE DECISION**

The scheme promotes independence and preventative services, which is one of the main principles of the Social Services and Well-being (Wales) Act 2014, and which supports priority 6 of the Gwynedd Council Plan 2018-23 - 'Ensure that we have Care services which help people to live their lives as they wish.'

Occupational Therapy's role is key to change culture and develop preventative services that contribute to achieve efficiency savings through reducing the need for domiciliary or residential care. The scheme would enable the department to provide accurate and timely advice and support to individuals and will increase capacity to support and enrich the well-being objectives of individuals in Gwynedd. This will enable the department to establish a preventative aspect that focuses on individual objectives.

<b>Date of Cabinet Meeting:</b>	4 June 2019
<b>Date decision will come into force</b> and implemented, unless the decision is called in, in accordance with section 7.25 of the Gwynedd Council Constitution.	19 June 2019

### **SUBJECT**

Item 8: A ONE TIME BID FOR RESOURCES FROM THE TRANSFORMATION FUND TO FUND THE DEMENTIA SUPPORT SERVICE IN THE COMMUNITY SCHEME FOR ONE YEAR

---

### **DECISION**

Resolved to earmark £97,660 from the Transformation Fund to finance the Community Dementia Support Services Scheme (which includes Dementia Go), to fund two full-time posts (in Pwllheli and Porthmadog) and two 7-hour a week posts, located in Tywyn and Caernarfon, until 31 March, 2020.

---

### **REASONS FOR THE DECISION**

The above Scheme's existing funding stream through the Integrated Care Fund ended on 31 March 2019. The Gwynedd Council Plan 2018-23 adopted on 8 March this year notes the intention of the Adults, Health and Well-being Department to work with Gwynedd communities to promote dementia friendly communities and to promote community resilience that will build on the strengths of these communities to prevent demand for Care and Support services.

The Dementia Go element, which is an original programme developed in Gwynedd, has received national recognition for its initiative and the contribution it makes to the lives of people who live with dementia and their carers.

In order to allow for an opportunity to evaluate the scheme more formally, to allow us to consider whether it should be funded by cutting another service, there is a need to continue to fund the scheme for a year in order to allow that to happen.

---

### **DECLARATIONS OF PERSONAL INTEREST AND ANY RELEVANT DISPENSATIONS APPROVED BY THE STANDARDS COMMITTEE**

A declaration of interest was received by Cllr Nia Jeffreys as she was a member of the Dementia Go Steering Committee. It was a prejudicial interest and she left the meeting.

## **ANY CONSULTATIONS UNDERTAKEN PRIOR TO MAKING THE DECISION**

The Statutory Officers were consulted to seek their views, which have been included in the report.
