There is an acknowledged public interest in openness in relation to the use of public resources and related financial issues. It is also acknowledged that there are occasions, in order to protect the financial and commercial interests that matters related to such information need to be discussed without being publicised. The report deals specifically with financial and business matter and related discussions. Publication of such commercially sensitive information could adversely affect the interests of the bodies and the Councils and undermine the confidence of other Growth Deal participants in sharing sensitive information for consideration. contrary to the wider public interest of securing the best overall outcome.
