SUBJECT: Item 5 - Application for a Premises Variation Licence

Clwb Llyn Bach, Heol yr Wyddfa, Porthmadog, LL49 9DF

RESOLVED: In accordance with the requirements of the Licensing Act 2003, and considering the observations received, the application was **REFUSED**.

Reasons -

None of the measures recommended in part M have convinced either the Licensing Authority or the Public Protection Service that it was possible to have measures in place to manage noise impact at this location which is surrounded by residential properties.

A complaint had been received recently regarding music noise and the noise of customers at the licensed premises

Although the Public Protection Officer had informed the applicant of the intention to object the application based on the licensing objective of preventing public nuisance; no response was received from the applicant, or any suggestion of compromise.

It would be more appropriate for the applicant to submit temporary event notices in order to attempt to identify means of managing the noise when using the beer garden for licensed activities.
