**CYNGOR GWYNEDD
CENTRAL LICENSING SUB-COMMITTEE DECISION NOTICE**

(Section 100C of the Local Government Act 1972 (as amended by the Local Authorities (Coronavirus) Regulations (Meetings) (Wales) 2020)

Date of CENTRAL LICENSING SUB-COMMITTEE Meeting
--

25 July 2024

SUBJECT

Application for a premises licence JAC Y DO, CONSERVATIVE CLUB, CAERNARFON

DECISION: To approve the application as presented, subject to including the following noise and lightning conditions submitted by the Environmental Health Department.

- The internal LAeq 15min sound level and the LAeq 15min sound level for the 31.5, 63 and 125Hz frequency third octave band frequencies shall not be increased within nearby residential properties (measured with windows at the dwellings open or closed) as a result of entertainment noise emitted from the licensed premises. For the purposes of this condition the LAeq sound level is as defined in BS4142: 2019
- To prevent noise or vibration emanating from the premises, doors and windows at the premises shall be kept closed during regulated entertainment, except for access and egress.
- Should Gwynedd Council obtain evidence that the noise condition (i) is not being adhered to during the period when the licence remains in force; the premises owner shall carry out the following:
 - Carry out necessary noise insulation / abatement works to ensure that the noise condition is achieved; and / or
 - Install a noise control device in the room/s where entertainment is held. The noise control device shall either be of the automatic power supply cut off type or of the noise limiting type
- Noise limiting devices, once set, shall not be reset, or adjusted without consultation with the Pollution Environmental Health Officers, Gwynedd Council.
- The disposal of waste bottles and cans into containers outside of the building subject to the license is prohibited between 22:00 - 08:00. Empty bottles shall be stored in a lidded skip / bin within the cartilage of the premises prior to collection.
- Music shall not be permitted to be played outside the establishment.
- Internal and external lighting provided for the purpose of customer and staff safety, and for the security of the premises shall be positioned so as not to cause nuisance to neighbouring or adjoining properties.

Additional conditions to include:

- A report shall be submitted to the Council detailing the potential for noise from amplified music at the premises from affecting neighbouring noise sensitive properties on Stryd Y Farchnad, the High Street, Caernarfon, and the flats above the premise.
- If the assessment indicates that noise from the premises is likely to affect neighbouring noise sensitive properties, then it shall include a detailed scheme of noise mitigation measures to show that nuisance will not be caused to the occupiers of neighbouring noise sensitive properties by noise from the licensed premises.

-
- All recommended works shall be completed prior to the commencement of the premises license and the Licensing Authority is to be notified at least 5 days in advance of the works being completed and the premises being used.
 - A noise limiter will be installed to control and measure noise
 - The additional measures submitted in part M of the application, as conditions on the licence.
-

Date of CENTRAL LICENSING SUB-COMMITTEE Meeting
--

25 July 2024

SUBJECT

Application for a premises licence Motocamp Wales, Ffordd Pen y Cefn, Dolgellau

DECISION: To approve the application as presented, subject to amending outdoor music conditions to 4 events each calendar year during the time requested, namely 12:00 – 23:30

Additional Conditions to include:

- Create detailed event safety management plans for each individual event which would be discussed with North Wales Police and Cyngor Gwynedd, agreed with each member of the Safety Advisory Group (SAG) and implemented by the Event Organisers.
- Each event would seek approval from North Wales Police and Cyngor Gwynedd by presenting appropriate Risk Assessments for events and a Management Plan.
- Measures to prevent crime and disorder and crowd management would be agreed with the police and other members of the SAG and incorporated in the Events Management Plan and implemented by the event organisers.
- Each event will have a specific event safety management plan. Measures to ensure public safety will be discussed with members of the SAG and incorporated in the Events Management Plan and implemented by the Event Organisers.
- The additional measures submitted in part M of the application, as conditions on the licence.
