SUBJECT

Application for Premises Licence ‘City Sports and Cocktail Bar’, 20/21 Canolfan Menai, Bangor

DECISION: To approve the application as presented, subject to including the following noise conditions submitted by the Environmental Health Department.

- The internal LAeq 15min sound level and the LZeq 15min sound level for the 31.5, 63 and 125Hz frequency third octave band frequencies shall not be increased within nearby residential properties (measured with windows at the dwellings open or closed) as a result of entertainment noise emitted from the licensed premises. For the purposes of this condition the LAeq sound level is as defined in BS4142:2014
- Should Gwynedd Council obtain evidence that the noise condition (i) is not being adhered to during the period when the licence remains in force; the premises owner shall carry out the following:
 - a) Carry out necessary noise insulation / abatement works to ensure that the noise condition is achieved.
- Noise limiting devices, once set, shall not be reset or adjusted without consultation with the Pollution Environmental Health Officers, Gwynedd Council.
- Music shall not be played externally.
- The external seating area shall be closed after 21:00
- To prevent noise or vibration emanating from the premises, doors and windows at the premises shall be kept closed during regulated entertainment, except for access and egress.
- The disposal of waste bottles and cans into containers outside of the building subject to the licence is prohibited between 22:00 - 09:00. Empty bottles shall be stored in a lidded skip / bin within the cartilage of the premises prior to collection.

Additional conditions to include:

- The additional measures submitted in part M of the application, to be included as conditions on the licence.
- On weekends, to stop selling alcohol at 03:30am and close at 04:00am
