SUBJECT: Item 5.3 Application Number C25/0277/18/LL

Land South of the B4547 Seion / Pentir, Llanddeiniolen, LL55 3AN

Proposed development of battery energy storage system, associated infrastructure, access and landscaping.

DECISION: To Refuse**Reason:**

1. This development would be detrimental to the landscape as it would introduce an industrial element to an open grassland site in a prominent location that would be visible within notable views of Eryri National Park. The application is therefore contrary to policies ISA 1, ADN 3, PCYFF 1, PCYFF 2 and PCYFF 4 of the Anglesey and Gwynedd Joint Local Development Plan as they relate to ensuring that developments are appropriate to their location.
