Item 12: PENRHOS CARE HOME OUTLINE BUSINESS CASE

DECISION

- 1.1 To approve the Outline Business Case in Appendix 1, subject to,
- 1.2 To authorise the Head of Adults, Health and Well-being to submit the Outline Business Case to the Welsh Government to apply for £16.4 million of Health and Social Care Integration and Rebalancing Capital Fund (IRCF) funding to create the development of a public sector partnership at the Penrhos site, in partnership with Betsi Cadwaladr University Health Board (BCUHB) and to proceed with the development of a Full Business Case.

REASONS FOR THE DECISION

The Welsh Government has earmarked Capital Grants to promote the integration of Health and Social Care, and to support the work on re-modelling the care sector. Funding from the Health and Social Care Integration and Rebalancing Capital Fund would give the Council the opportunity to apply for £16.4m of funding to fund this development. It was explained that discussions have already begun with the Welsh Government regarding timely access to the funding.

It is noted that the submission of the outline business case is a key step in this project, and the next step is for the Outline Business Case to be processed and submitted for approval, followed by a Full Business Case.

SUBJECT

Item 13: SIGNIFICANT IMPROVEMENTS TO YSGOL TRYFAN - INCREASING THE PROJECT'S CAPITAL BUDGET

DECISION

The Cabinet gave its approval to increase the budget for the project to significantly improve the buildings and site of Ysgol Tryfan in Bangor to address inflation costs and the general increase in building material costs since the original budget was established in 2018, realising this by transferring £1.96m from the Council's Asset Management Plan to cover the total projected costs for completing the project at Ysgol Tryfan.

REASONS FOR THE DECISION

Following the submission of the Strategic Outline Business Case (Step 1), the Design Team produced estimated costs to realise the project in accordance with the brief, with the initial estimate approximately £30m.

Subsequently there was collaboration between the Design Team, the Property Development Team, the Education Department and Ysgol Tryfan to discuss possible options to amend the brief and reduce costs. Following further work on the estimated costs of the options, it is anticipated that it is necessary to increase the project budget to £23.6 million.

The amended budget will enable the school's capacity to be increased to 650, with a new building and improvements and alterations to other buildings, and work towards meeting Welsh Government's carbon targets.

With an increase in the project's capital budget, Cyngor Gwynedd would need to meet 35% of the additional budget. Currently the Council has committed to allocate £6.3m as match funding to realise the project. Should the Council approve to increase the project's budget to £23.6m, the Council would need to commit to contribute an additional £1.96m towards the project's costs, making a total of £8.26m.

	Budget currently available	Additional budget required	Budget following the amendment to the budget
Cyngor Gwynedd Contribution (35%)	£6,300,000	£1,960,000	£8,260,000
Welsh Government Contribution (65%)	£11,700,000	£3,640,000	£15,340,000
Total	£18,000,000	£5,600,000	£23,600,000

Item 14: GWYNEDD EDUCATION LANGUAGE POLICY

DECISION

To adopt a draft of Cyngor Gwynedd's Model Education Language Policy for Gwynedd schools so that it can be submitted for the purpose of public engagement (Appendix 1).

REASONS FOR THE DECISION

The Cabinet is asked to approve a draft of the Education Language Policy which has been drawn up following an extended process of engagement with stakeholders.

Approval of the draft is a key step in enabling the Council to undertake further public engagement before reporting back to the Cabinet on the results of the engagement and asking Cabinet members for a decision on whether to adopt the Model Education Language Policy.

Subject to the adoption of the Model Education Language Policy, it would be submitted to all governing bodies for them to seek the views of their school community and then consider its adoption and implementation.

Cyngor Gwynedd's strong recommendation would be for every school to adopt the Cyngor Gwynedd Model Education Language Policy and implement it in full in September 2026.
