Item 6: REVIEW OF THE CLIMATE AND NATURE EMERGENCY PLAN

DECISION

It was resolved:

- To accept the report, noting the observations made during the discussion.
- That the Committee welcomed the intention to revisit the Council's ambition to be Net Zero Carbon by 2030.
- To recommend to the Cabinet Member for Environment that:
 - the successes and work carried out to deliver the Plan should be communicated to the public.
 - the use of open questions in public consultations needed to be increased in order to receive responses that would enrich the information available to inform future direction.
 - consideration should be given to modifying the following wording: "... we will continue to reduce our emissions over the next few decades until we reach the net zero target ' (Page 6, Climate and Nature Emergency Plan, Version 2), in order to be more ambitious in meeting the target.

Item 7: ACTIVE TRAVEL

DECISION

It was resolved:

- To accept the report, noting the observations made during the discussion.
- That the Committee welcomed the work of trying to meet the maintenance costs of active travel routes.
- To recommend to the Cabinet Member for Environment that:
 - there was a need to look at expenditure for the maintenance of active travel routes and costs of grass cutting/growth on verges to consider whether there were any potential savings.
 - questions about the maintenance of active travel routes and a question about local issues should be included in the public consultation.
 - risk assessment arrangements should be examined.
