Alwen Williams (Chief Executive) to present the report.

There is an acknowledged public interest in openness in relation to the use of public resources and related financial issues. It is also acknowledged that there are occasions, in order to protect the financial interests of public authorities that matters related to commercial information need to be discussed without being publicised. This would be contrary to the wider public interest of securing value for money and the best overall outcome. The elements that have been readacted represent a proportionate response To this request while preserving the right of the publication to obtain information about an important regional plan, in accordance with Paragraph 14 of Schedule 12A of the Local Government Act 1972.
