- 1.2 The notice seeks to allow up to 250 people on the site for the sale of alcohol and late night refreshments. The nature of the premises is described as a Lounge Bar & Club and the event is described as a ‘Social Evening & Nightclub Event. A copy of the event notice is attached as Appendix 1.

- 2.2 An Objection Notice to this standard temporary event was received from the Environmental Health Unit via email on 17 November 2015. See attached as Appendix 3.

3. MATTERS TO BE DECIDED AND OPTIONS

- 3.1 Having regard to the temporary event notice and the objections of the two relevant persons, members must take such steps as they consider necessary for the promotion of the licensing objectives, which are:
- The prevention of crime and disorder;
 - The promotion of public safety;
 - The prevention of public nuisance; and
 - The protection of children from harm.
- 3.2 The options available to the sub-committee are:
- To take no action and allow the event to proceed in the manner described in the Temporary Event Notice; **OR**

- To issue a counter notice, i.e. to refuse the event under Section 105(2)(b) of the Licensing Act 2003 if the sub-committee considers it necessary for the promotion of a licensing objective to do so.

3.3 In this case, the sub-committee **cannot** :

- Impose one or more conditions on the standard TEN because there is no premises licence or club premises certificate in place for any part of the premises to which the temporary event notice applies.
- Impose modifications to the standard TEN. A standard TEN may be modified at any time before a hearing is held or dispensed with if a relevant person, with the agreement of the premises user and each other relevant person, modify the temporary event notice by making changes to it.

4. RECOMMENDATION

4.1 The sub-committee is requested to consider the objection notices received in respect of the standard temporary event notice and decide if

- the event may go ahead as proposed, or
- if a counter notice should be given i.e. to refuse the event because it considers it necessary to do so to promote one of the licensing objectives.
