# Audit of Accounts Report

## Introduction

- 1 We summarise the main findings from our audit of your 2020-21 accounts in this report. We have already discussed these issues with the Head of Finance and his team.
- 2 Auditors can never give complete assurance that accounts are correctly stated. Instead, we work to a level of 'materiality'. This level of materiality is set to try to identify and correct misstatements that might otherwise cause a user of the accounts into being misled.
- 3 We set this level at £276,000 for this year's audit.
- 4 There are some areas of the accounts that may be of more importance to the reader and we have set a lower materiality level for these, as follows:
  - Related Party Disclosures £10,000
  - Senior Officer Remuneration £1,000
- 5 We have now substantially completed this year's audit.
- 6 In our professional view, we have complied with the ethical standards that apply to our work; remain independent of yourselves; and our objectivity has not been compromised in any way. There are no relationships between ourselves and yourselves that we believe could undermine our objectivity and independence.

## Impact of COVID-19 on this year's audit

- 7 The COVID-19 pandemic has had a significant impact on all aspects of our society and continues to do so. You are required by law to prepare accounts and it is of considerable testament to the commitment of your accounts team that you have succeeded in doing so this year in the face of the challenges posed by this pandemic. We are extremely grateful to the professionalism of the team in supporting us to complete our audit in such difficult circumstances.
- 8 The pandemic has unsurprisingly affected our audit and we summarise in **Exhibit 1** the main impacts. Other than where we specifically make recommendations, the detail in **Exhibit 1** is provided for information purposes only to help you understand the impact of the COVID-19 pandemic on this year's audit process.

## Exhibit 1 – impact of COVID-19 on this year’s audit

<b>Timetable</b>	<ul style="list-style-type: none"><li>• Officers provided us with the draft accounts on 27 May 2021 as planned.</li><li>• We expect your audit report to be signed by the middle of November 2021.</li></ul>
<b>Electronic signatures</b>	Given current social distancing requirements, it will be difficult for signing and certification of the accounts in hard copy again this year. We will accept electronic signatures from you.
<b>Conducting the audit approach and obtaining audit evidence</b>	Due to social distancing measures, Audit Wales and the majority of the Authority’s staff are currently working remotely from home. As a result, we adopted remote ways of working by: <ul style="list-style-type: none"><li>• holding Microsoft Teams meetings with officers throughout the audit to discuss progress and emerging issues; and</li><li>• utilising our remote access to enable the audit team to access the Joint Committee and the hosting authority’s financial records and systems.</li></ul>

- 9 We will be reviewing what we have learned for our audit process from the COVID-19 pandemic and whether there are innovative practices that we might adopt in the future to enhance that process.

## Proposed audit opinion

- 10 **We intend to issue an unqualified audit opinion** on this year’s accounts once you have provided us with a Letter of Representation based on that set out in **Appendix 1**.
- 11 We issue a ‘qualified’ audit opinion where we have material concerns about some aspects of your accounts; otherwise we issue an unqualified opinion.
- 12 The Letter of Representation contains certain confirmations we are required to obtain from you under auditing standards along with confirmation of other specific information you have provided to us during our audit.
- 13 Our proposed audit report is set out in **Appendix 2**.

## Significant issues arising from the audit

### Uncorrected misstatements

14 There are no misstatements identified in the accounts, which remain uncorrected.

### Corrected misstatements

15 There were initially misstatements in the accounts that have now been corrected by management. However, we believe that these should be drawn to your attention and they are set out with explanations in **Appendix 3**.

### Other significant issues arising from the audit

16 In the course of the audit, we consider a number of matters relating to the accounts and report any significant issues arising to you. There were no significant issues arising this year. On completion of the audit, we intend to hold a post project learning exercise with key staff to further improve the accounts production and process for future years.

## Proposed Audit Report

### The independent auditor's report of the Auditor General for Wales to the members of GwE Joint Committee

#### Opinion on the financial statements

I have audited the financial statements of GwE Joint Committee for the year ended 31 March 2021 under the Public Audit (Wales) Act 2004.

GwE Joint Committee's statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement and the related notes, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2020-21.

In my opinion the financial statements:

- give a true and fair view of the financial position of GwE Joint Committee as at 31 March 2021 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2020-21.

#### Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Joint Committee in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Joint Committee's ability to continue to adopt the going concern basis of

accounting for a period of at least 12 months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

## **Other information**

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Responsible Financial Officer is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon. My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

## **Report on other requirements**

### **Opinion on other matters**

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and the Narrative Report has been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2020-21; and
- the information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and the Annual Governance Statement has been prepared in accordance with guidance.

### **Matters on which I report by exception**

In the light of the knowledge and understanding of the Joint Committee and its environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Annual Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

## **Responsibilities**

### **Responsibilities of the responsible financial officer for the financial statements**

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, the responsible financial officer is responsible for the preparation of the statement of accounts which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the statement of accounts, the responsible financial officer is responsible for assessing the Joint Committee's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management and those charged with governance, including obtaining and reviewing supporting documentation relating to GwE Joint Committee's policies and procedures concerned with:

- identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
  - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud in management override.
  - Obtaining an understanding of GwE Joint Committee’s framework of authority as well as other legal and regulatory frameworks that GwE Joint Committee operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of GwE Joint Committee.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- enquiring of management, the Joint Committee and legal advisors about actual and potential litigation and claims;
- reading minutes of meetings of those charged with governance and the Joint Committee;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit teams and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the Joint Committee’s controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor’s responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of my auditor’s report.

## Certificate of completion of audit

I certify that I have completed the audit of the accounts of GwE Joint Committee in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.
