DATE	29th March 2022
TITLE	Update on Harbour Management Matters
AUTHOR	Senior Harbour Officer

1. Introduction.

- 1.1 The Committee's main function is to consider, discuss and advise on matters relating to the management, safety and development of the Harbour and to receive Member's observations on matters relating to Aberdyfi Harbour.
- 1.2 The purpose of this report is to provide a brief update for the attention of the Committee on harbour matters for the yearly period ending March 2022, in order to receive feedback from the members on safety matters and the operational matters of the Harbour.

2. Aberdyfi Moorings and Boat Registration.

- 2.1 In accordance with previous years, it is anticipated that a mooring contractor will commence to lay moorings in the harbour before the Easter period, subject to their commitments and the existing weather conditions at the time.
- 2.2 Last year, the Gwynedd Council Powerboat and Personal Watercraft registration system was introduced through an online arrangement, allowing customers to choose the most suitable location to collect registration and launch permits. Following the success of the arrangement, customers will be required to register via the Gwynedd Council website, with the online registration and payment system open on the 31 March 2022.

3. Port Marine Safety Code.

- 3.1.1 The Port Marine Safety Code ('PMSC') sets out a national standard for every aspect of port marine safety. Its aim is to enhance safety for everyone who uses or works in the port marine environment. It applies to all Statutory Harbour Authorities.
- 3.1.2 The Code represents good practice as recognised by a wide range of industry stakeholders and Gwynedd Council understands that a failure to adhere to good practice may be indicative of a harbour authority being in breach of certain legal duties. It is necessary for the Service to receive the comments and views of Consultative Committee Members on the suitability of the Port Marine Safety Code and to regularly receive observations on its contents, in order that it may be reviewed as relevant to the harbour activities, navigational aids, suitability of by-laws, safety matters and general day to day work at Aberdyfi Harbour.
- 3.1.3 The Service itself continually reviews the Port Marine Safety Code to ensure safety standards within the harbours of Gwynedd are maintained and an annual external audit of the code is also undertaken by the defined designated person, Captain Matthew Forbes, Conwy Harbourmaster.
