<b>TITLE</b>	<b>CABINET RESPONSE TO SCRUTINY COMMITTEE RECOMMENDATIONS</b>
<b>PURPOSE</b>	<b>To report back to the Scrutiny Committee on the Cabinet's response to the Scrutiny Committee's recommendations</b>
<b>AUTHOR(S)</b>	<b>Councillor Angela Russell and Arwel E Jones (Senior Manager – Democracy and Delivery)</b>

## **INTRODUCTION**

1. Following recent observations in a report by the Wales Audit Office and in a questionnaire amongst members and senior officers, the need to improve the link and dialogue between individual scrutiny committees and the Cabinet has been identified in order to secure greater continuity following scrutiny work.
2. As a pilot, a paper was presented to the Cabinet on 15th December drawing the Cabinet's formal attention to the recent work of this committee, at its meeting on 17th November, in order have a formal public discussion on the response of the Cabinet as whole and individual Cabinet Members to scrutiny recommendations.
3. The Chairman of the Scrutiny Committee was present and there was an open and honest discussion with the Cabinet. The web-cast of that discussion is available but in Welsh only as there were no non Welsh speakers either present at the meeting or viewing on line [http://www.gwynedd.public-i.tv/core/portal/webcast\\_interactive/195392](http://www.gwynedd.public-i.tv/core/portal/webcast_interactive/195392) (See item 4).
4. The purpose of this report is to report formally back to the Scrutiny Committee on what was agreed by the Cabinet. For the committee's information, the Cabinet's conclusion was that the discussion was beneficial and it was agreed to continue with the system of discussing matters arising from Scrutiny Committees at Cabinet meetings in the future, with a minute of that discussion being circulated amongst the Scrutiny Committee members.

The Cabinet Member confirmed that he would re-appear before the Scrutiny Committee to confirm which recommendations have been implemented in order to implement them before September, 2016 and also that the Cabinet Member would offer reports in the meantime if matters arose where Scrutiny input would be of assistance.
