

MEETING	The Full Council
DATE	2 March 2023
SUBJECT	Committees Calendar 2023/24
PURPOSE	To adopt the Committees Calendar for 2023/24
AUTHOR	Ian Jones Head of Democracy Services

1. BACKGROUND

- 1.1 The calendar of the Council's committee dates for 2023/24 is submitted. The calendar assists the Council, its Members and the public to plan ahead for the dates and times of the Council's principal meetings.
- 1.2 Note that these are the dates we have currently scheduled, but situations can arise where additional meetings may need to be arranged in order to carry out Council business.
- 1.3 While every effort is made to avoid holding meetings during school holidays, this is not possible on all occasions if the continuation of Council service is to be ensured.
- 1.4 Relevant officers and Eryri National Park were consulted regarding the draft version of the committees calendar to ensure that there were no clashes with other meetings. In addition, we have sought to ensure that there is no clash with the dates of the North Wales Economic Ambition Board and North Wales Corporate Joint Committee meetings, though not all dates for 2023/24 are known yet.

3. RECOMMENDATION
