

# Participation Strategy 2023

# Foreword

It is my pleasure to present Cyngor Gwynedd's First Participation Strategy to you.

The People of Gwynedd are at the core of every decision we make. We have been elected to represent you and to do our best for the people of Gwynedd. In order to serve you we need to hear your views; this is an integral part of the democratic process. We regularly face having to make challenging decisions, and not all decisions will please everyone. As leaders in the community, it is our duty to consider all points of view and aim to make the best decision in everyone's interests.

Our first Strategy aims to outline what is currently in place to listen to the voices of local people, and what is to be developed further. There is much more that can be done in the future, and the Strategy will be reviewed regularly. I am confident that this first Strategy gives a firm foundation on which to build to the future.

Yours sincerely,

**Councillor Menna Jones,**  
Corporate Support Cabinet Member.

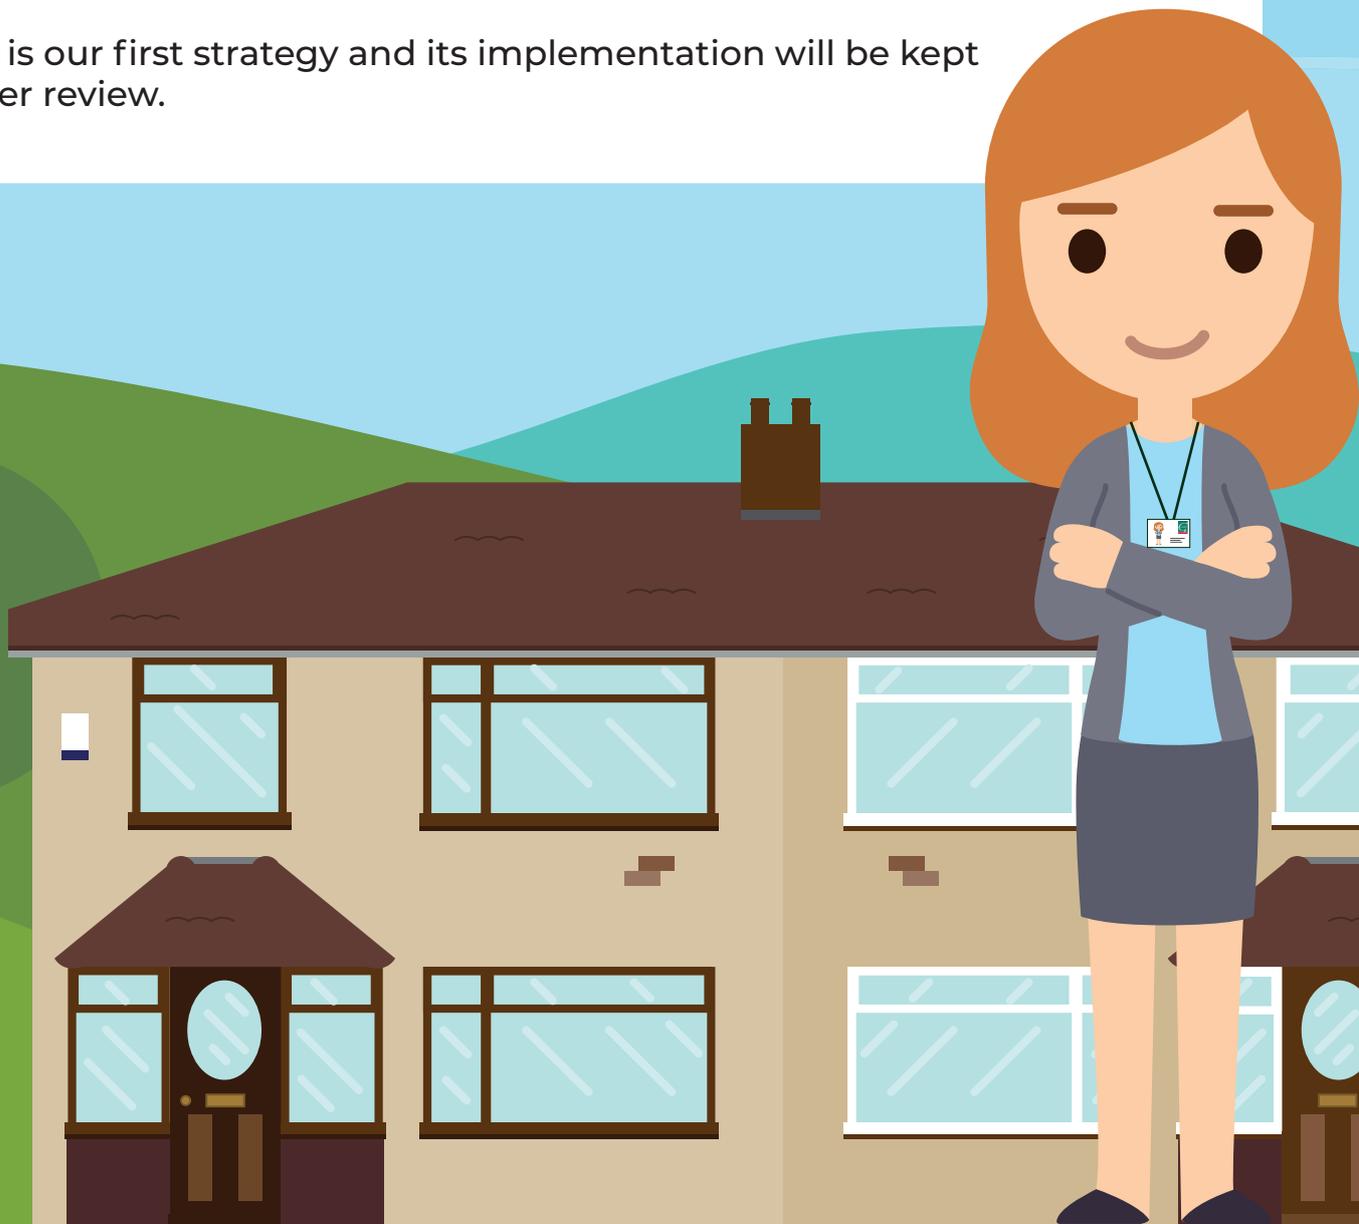

# Introduction

Under the Local Government and Elections (Wales) Act 2021, local authorities in Wales must publish a Participation Strategy which notes the ways that local people are encouraged to participate in the Council's decision-making process.

It is expected that the strategy will evolve and improve over time as good practices emerge and as further technological advances are made.

This Strategy outlines Cyngor Gwynedd's aim of encouraging people to participate in the decision-making process. In this strategy, we have attempted to explain how our objectives in terms of participation will make a genuine difference to the way we engage with people in Gwynedd. Within every objective, we have identified clear outcomes and actions.

This is our first strategy and its implementation will be kept under review.

# Our Objectives

# Partnership Arrangements

Cyngor Gwynedd is a key partner of the Gwynedd and Môn Public Services Board.

The Public Services Board was set up in the wake of the Well-being of Future Generations Act (Wales) 2015 (Sharing a Purpose: Sharing a Future) in order to ensure sustainable developments while fulfilling the seven well-being aims.

The sustainable development principle considers the five ways of working that public bodies must implement to show that they apply the principle.

Members include representative of private, public and voluntary sectors in Gwynedd and Môn. The PSB is committed to seeking the views of residents on all policies and decisions made, and how we can make improvements in the future.
