

Assessing the Impact on Equality Characteristics, the Welsh Language and Socio-Economic Disadvantage

For help to complete this form see the *How to Undertake an Equality Impact Assessment* leaflet. You are also welcome to contact Delyth Gadlys Williams, Policy and Equality Officer on ext. 32708 or DelythGadlysWilliams@gwynedd.llyw.cymru for further assistance.

The Council's is required (under the Equality Act 2010) to consider the effect any change in policy or procedure (or the creation of a new policy or procedure), has on people with protected equality characteristics. The Council also has a general duty to ensure fairness and foster good relations. A timely Equality Impact Assessment must be undertaken before making any decision on any relevant change (i.e. which has an effect on people with protected characteristics).

The Council is also required, under the requirements of the Welsh Language Standards (Section 44 of the Welsh Language (Wales) Measure 2011) to consider the effect of a change in any policy or procedure (or the creation of a new policy or procedure), in its opportunities for people to use Welsh and to ensure that Welsh is not treated less favourably than English. This document therefore ensures that these decisions protect and promote the use of the Welsh language.

From April 1st 2021 onwards, the Council has a duty to give tackling socio-economic disadvantage in strategic decisions due regard.

1) Details

1.1. What is the name of the policy / service in question?

Proposal to close Ysgol Felinwnda and providing a place for pupils at Ysgol Bontnewydd

1.2 What is the purpose of the policy/service that is being created or amended? What changes are being considered?

Ysgol Gynradd Felinwnda is located near the village of Saron and Dinas on the outskirts of Caernarfon and serves the surrounding villages and area. Ysgol Felinwnda's situation has come to the attention of the Education Department since the September 2022 School Census, as this is the school with the smallest number of learners in Gwynedd. There has been a significant reduction in the numbers of Ysgol Felinwnda learners over the past 10 years, from 31 pupils in 2012 down to 8 pupils today, which leads to uncertainty about the future of the school.

As there were less than 10 registered learners in the school in PLASC (Pupil Level Annual School Census) January 2023, it is considered a "small school" under the Standards and Organisation (Wales) Act 2013. This allows the authority to follow a simpler procedure to close the school. In particular, the requirement to consult in general is not needed, and the only thing required is to hold an objection period following the publication of the statutory notice, this will give 28 days for anyone to object to the offer. We will then be creating an objection report allowing the Cabinet to consider any objections before reaching a final decision.

As part of the process of developing a proposal/proposals for the reorganisation of a school/schools, the authority is required to carry out an assessment of the likely impact on equality, the Welsh language and socio-economic disadvantage

1.3 Who is responsible for this assessment?

Gareth Richard Jones (Education Modernisation Officer)

1.4 When did you commence the assessment? Which version is this?

Version 1: 8 February 2023
Version 2: 6 March 2023
Version 3: 9 March 2023

2) Action

2.1 Who are the stakeholders or partners you need to work with to undertake this assessment?

Education Department and Officers from other Gwynedd Council departments
Governors and Headteacher of Ysgol Felinwnda

2.2 What measures have you taken to engage with people with equality characteristics, regarding the Welsh language or with communities (either of place or of need) that live with socio-economic disadvantage?

A conversation has been held with the Local Member, the Headteacher of Ysgol Felinwnda and the Governing Body.

As there are less than 10 registered learners at Ysgol Felinwnda in the January 2023 census, it is considered a "small school" under the Standards and Organisation (Wales) Act 2013. In

accordance with the Schools Organisation Code this allows the authority to follow a simpler procedure in order to close the school. In particular, the requirement to consult in general is not needed, and the only thing that is required is to hold an objection period. We will do this by publishing a statutory notice on the proposal and allowing 28 days for parents, learners, staff and other stakeholders to respond to the proposal. We will then submit an objection report and submit it to the Council's Cabinet to decide on the next steps.

2.3 What was the result of the engagement?

Following a conversation with the Headteacher and the Governing Body, the proposal to close Ysgol Felinwnda will be presented to Gwynedd Council's Cabinet on 28 March 2023, and subject to the Cabinet's decision it will be possible to proceed to hold the objection period in accordance with the requirements of the School Organisation Code.

2.4 On the basis of what other evidence are you operating?

- **Number of learners** - In the January 2023 PLASC census, there were only 8 full-time pupils on the school register with 3 from the Felinwnda catchment area and 5 from Bro Llew and Bro Llifon catchment areas.
- **Children going outside the catchment area** - 45 going outside the catchment area including 31 to Ysgol Bontnewydd and 5 to Ysgol Llandwrog and the remaining learners traveling to other schools further away.
- **Number projections** - Figure projections suggested that numbers will continue to decrease: September 2023= 8; September 2024 = 5; September 2025= 3
- **High percentage of empty places** – Based on the January 2023 figures, there are approximately 87% of empty places in the school (53 in number)
- **Small class sizes** – there are 2 classes with 3 in one and 5 in the other (January 2023)
- **Wide age range within classes** – one class is for year 1–3 learners and the other for year 4–5. There is not a single child of nursery age, reception class or year 6 in the school.
- **Additional funding to the allocation** - Ysgol Felinwnda receives £54,924 for 2022-23 through the minimum staffing policy (which guarantees at least a headteacher and a teacher in every school, and a headteacher and an assistant in schools that have less than 15 pupils).
- **Cost per learner** - the total allocation for the financial year 2022-23 (based on September 2021 numbers) is £138,226 which means that the cost per head of Ysgol Felinwnda is £14,643 (2022-23). The county average for cost per pupil in the same year is £4,509.
- **Challenge to the future** - Ysgol Felinwnda is facing a challenge to set a balanced budget for 2023-24 as the school will receive an allocation based on learner numbers and that together with the amount of care allocated to them will enable them to employ a head teacher and assistant only.

2.5 Are there any gaps in the evidence that needs to be collected?

We will continue to gather evidence during the objection period.

3) Identifying the Impact

3.1 The Council must give due regard to the effect any changes will have on people with the equality characteristics noted below. What impact will the new policy/service or the proposed changes in the policy or service have on people with these characteristics?

Characteristics	What type of impact?*	In what way? What is the evidence?
Race (including nationality)	None	<p>Gwynedd schools have policies in place to protect individuals from any discrimination based on race, such as Equality, Inclusion and Anti-Bullying Policies. The Anti-bullying Policy provided by Gwynedd Council sets out anti-bullying guidelines and procedures based on factors such as race at school. In addition, the Equality Policy implemented by Gwynedd primary schools states that the schools:</p> <p><i>“...opposes to all types of prejudice and discrimination and acknowledges that pupils have different needs, requirements and objectives.”</i></p> <p>It is therefore not anticipated that the proposal would have an impact on this feature.</p>
Disability	None	<p>It is not anticipated that the change would have a negative impact on this feature. An accessibility assessment of Ysgol Bontnewydd would be carried out and we will ensure that any transport required will be suitable for the needs of the individual. The needs of any disabled child will be considered in accordance with the Education Department's Accessibility and Equality policies.</p>
Sex	None	<p>Implementation of the proposal would not affect this feature. The implementation of the proposal will mean that everyone will be treated according to their needs regardless of their gender. Ysgol Felinwnda and Ysgol Bontnewydd implements an Equality Policy which states that the school:</p> <p><i>“...opposes to all types of prejudice and discrimination and acknowledges that pupils have different needs, requirements and objectives.”</i></p>
Age	Positive	<p>Ysgol Felinwnda provides education for pupils between the ages of 3-11. Ysgol Felinwnda children will benefit from</p>

		<p>having more age-relevant peers in a school with more learners at Ysgol Bontnewydd, which will ensure educational and extracurricular experiences suitable for their age together with access to more extracurricular activities.</p> <p>We believe that learners will receive more suitable opportunities for their age when they are placed at Ysgol Bontnewydd because the learners will receive learning experiences in mass groups, smaller groups, partner work and individually within their specific age range together with lessons differentiate them appropriately for the age range.</p>
Sexual orientation	Positive	<p>Relationships and sexuality education (RSE) is a statutory requirement in the Curriculum for Wales framework and is published under section 71 of the Curriculum and Assessment (Wales) Act 2021 and is mandatory for all learners from ages 3 to 16. RSE has a positive and empowering role to play in the education of learners and it is essential to form and maintain a range of relationships, which are all based on mutual trust and respect, at the core of relationship and sexuality education. These relationships are crucial to develop emotional well-being, resilience and empathy. An understanding of sexuality with an emphasis on rights, health, equality and fairness empowers learners to understand themselves, take responsibility for their own decisions and behaviours and form relationships. We believe that learners will receive more opportunities to develop relationships and learn collaboratively as part of a larger class.</p> <p>It is stated in the Equality Policy which is implemented by Gwynedd's primary schools that the schools are <i>"...opposes to all types of prejudice and discrimination and acknowledges that pupils have different needs, requirements and objectives."</i></p>
Religion or belief (or non-belief)	None	Each school has an Inclusion Policy that would deal with any discriminatory incident that might occur in the school, related to religion or belief.
Gender reassignment	None	It is stated in the Equality policy which is implemented by Gwynedd's primary schools that the schools <i>"...opposes to all types of prejudice and discrimination and acknowledges that pupils have different needs, requirements and objectives."</i>
Pregnancy and maternity	None	Not applicable.

Marriage and civil partnership	None	Not applicable.
The Welsh language	None	<p>The goal of the Gwynedd Education Language Policy is the same for all primary schools in the county, and all primary schools (except one school) fall into category 3 in accordance with the Welsh Government's guide for categorising schools according to Welsh-medium provision. This means that Ysgol Felinwnda learners will be able to continue receiving their education in Welsh and bilingually in accordance with the Language of Education Policy at Ysgol Bontnewydd.</p> <p>It is not anticipated that there would be a negative impact if the proposal were to be implemented, and it is likely that the proposal will have a positive impact on the Welsh language as Ysgol Felinwnda learners benefit from more opportunities to use the Welsh language with a wider range of peers in class and socially. Ysgol Bontnewydd serves an area that is a stronghold of the Welsh language with over 70% of the population able to speak Welsh.</p>
Socio-Economic Disadvantage	None	It is not anticipated that Ysgol Bontnewydd which is within 2 miles of Ysgol Felinwnda will create a socio-economic disadvantage. The proposal will reduce social disadvantage by ensuring more experiences and diversity of learning, more resources and access to more services and activities.

* Delete as appropriate

3.2 The Council has a duty under the 2010 Equality Act to contribute positively to a fairer society by promoting equality and good relations in its activities regarding the following characteristics – age, gender, sexual orientation, religion, race, gender reassignment, disability and pregnancy and maternity. The Council must give due attention to the way any change affects these duties.

General Duties of the Equality Act	Does it have an impact?*	In what way? What is the evidence?
Abolishing illegal discrimination, harassment and victimisation	No	It is not anticipated that the proposal will have an impact on the school's statutory duty to protect learners from any discrimination, harassment or persecution.

Promoting equal opportunities	Yes	<p>The aim is to promote equal opportunities and encourage Ysgol Bontnewydd to continue following equality policies and procedures.</p> <p>We believe that learners will receive more equal opportunities when placed at Ysgol Bontnewydd because the learners will receive learning experiences that are based on national learning principles, with a variety of styles including working in mass groups, smaller groups, partner work and individual within their specific age range together with lessons differentiated appropriately for the age range.</p>
Encouraging good relationships	Yes	<p>As a number of children who live in Ysgol Felinwnda's catchment area already attends Ysgol Bontnewydd, a connection has already been formed between the school and the Felinwnda community. However, opportunities are promoted for the school to build on its current links with the Felinwnda community.</p> <p>Relationships and sexuality education (RSE) is a statutory requirement in the Curriculum for Wales framework and is published under section 71 of the Curriculum and Assessment (Wales) Act 2021 and is mandatory for all learners from ages 3 to 16. RSE has a positive and empowering role in learners' education and plays a vital role in helping learners to form and maintain a range of relationships, which are all based on mutual trust and respect, are at the core of relationship and sexuality education. These relationships are critical to the development of emotional well-being, resilience and empathy. An understanding of sexuality with an emphasis on rights, health, equality and fairness empowers learners to understand themselves, take responsibility for their own decisions and behaviours and form relationships. We believe that learners will receive more opportunities to develop relationships and learn collaboratively as part of a larger class.</p>

* To be deleted as appropriate

3.3 How does your proposal ensure that you work in accordance with the requirements of the Welsh Language Standards (Welsh Language (Wales) Measure 2011), to ensure that the Welsh language is not treated less favourably than English and that you seize every opportunity to promote the Welsh language (beyond providing services bilingually) and increase opportunities to use and learn the language in the community?

Our expectations are that all learners in the County have balanced bilingualism and relevant ability so that they can be complete members of the bilingual society of which they are a part. The proposals for changing local arrangements will need to take full account of all the linguistic effects. Maintaining and increasing the use of Welsh as an educational and social language among the learners will be a key consideration when drawing up the proposal.

The goal of the Gwynedd Education Language Policy is the same for all primary schools in the County, and all primary schools (except one school) fall into category 3 in accordance with the Welsh Government's guide for categorising schools according to Welsh-medium provision. This means that Ysgol Felinwnda learners will be able to continue receiving their education in Welsh and bilingually in accordance with the Language of Education Policy at Ysgol Bontnewydd.

It is not anticipated that there would be a negative impact if the proposal were to be implemented, and it is likely that the proposal will have a positive impact on the Welsh language as Ysgol Felinwnda learners benefit from more opportunities to use the Welsh language with a wider range of peers in class and socially.

From the perspective of the community, 1,145 (83%) Welsh speakers live in the Llanwnda ward while 1,015 (82%) Welsh speakers live in the Bontnewydd ward (Census Source 2021).

As can be seen from the table below, a high percentage of learners at the 2 schools speak Welsh at home:

School	Speak Welsh fluently at home	Percentage	Do not speak Welsh at home but fluent	Speak Welsh at home but not fluent	Do not speak Welsh at home and are not fluent	Do not speak Welsh at all	Total
Felinwnda	6	75%	1	0	1	0	8
Bontnewydd	167	84%	5	17	6	4	199
	Fluent Welsh			Some Welsh		No Welsh	

In the period between 2011 to 2022, 29 residential units have been completed in the Felinwnda catchment area and children from the houses are already attending primary and secondary schools of their parents' choice. If the proposal is implemented, we are confident there will be enough space at Ysgol Bontnewydd for any additional learners in the future.

It is not anticipated that the closure of Ysgol Felinwnda will have a negative impact on the community or the Welsh language as only 8 children attend the school, 3 of whom are from the Felinwnda catchment area. 45 primary children in the catchment area already attend other schools for their education with 31 attending Ysgol Bontnewydd.

Canolfan Bro Llanwnda Community Centre is located next door to the school and hosts a number of activities including the Cylch Meithrin and Cylch Ti a Fi. As the Centre is independent from the school it is not anticipated that the closure of the school will have any negative impact the continuation of its Cylch Meithrin, Cylch Ti a Fi or other events.

The Cylch Meithrin figures over the last 6 years:

2017	7
2018	5
2019	3
2020 *Closed due to covid	0
2021	3
2022	3

Sources: Childcare Offer Data

As shown above, Cylch Meithrin numbers have been low for a number of years. Unfortunately, it is not possible to predict whether or not parents will continue using the Cylch if Ysgol Felinwnda closes.

3.4 What other measures or changes could you include to strengthen or change the policy / practice in order to have a positive impact on people's opportunities to use the Welsh language, and to reduce or prevent any adverse effects that the policy / practice may have on the Welsh language?

It is likely that the proposal will have a positive impact on the Welsh language as the learners of Ysgol Felinwnda benefit from more opportunities to use the Welsh language with a wider range of peers in the classroom and socially. Ysgol Bontnewydd serves an area that is a stronghold of the Welsh language with over 70% of the population able to speak Welsh.

The Local Authority, the Governing Body and Ysgol Bontnewydd can consider methods to promote the use of the Welsh language socially through extracurricular and community activities.

3.5 How does the proposal show that you have had due regard to the need to address inequality caused by socio-economic disadvantage? (Note that this is about closing inequality gaps rather than just improving outcomes for everyone)?

The proposal will reduce the inequality caused by socio-economic disadvantage by ensuring that the learners have more experiences and access to more services and activities at Ysgol Bontnewydd. Learners will receive more equal opportunities when placed at Ysgol Bontnewydd because the learners will receive learning experiences that are based on national learning principles, with a variety of styles including working in mass groups, smaller groups, partner work and individually from within their specific age range together with lessons that are appropriately differentiated for the age range in question.

Ysgol Felinwnda's children will have a better learning environment in a school with more learners of the same age, and it will ensure that they make the most of their education. The children will benefit from having more age-related peers in a school with more learners, which

will ensure suitable educational and extracurricular experiences for them together with access to more extracurricular activities.

3.6 What other measures or changes might you include to strengthen or change the policy / practice to show that you have had due regard to the need to reduce disproportionate outcomes as a result of socio-economic disadvantage, in accordance with the Socio-Economic Act?

We will continue collecting information following the outcome of the objection period to ensure that we have given great attention to reducing inequality.

4) Analysing the Results

4.1 Is the policy therefore likely to have a significant, positive impact on any of the above and what is the reason for this?

We believe that learners will receive more equal opportunities when placed at Ysgol Bontnewydd because the learners will receive learning experiences that are based on national learning principles, with a variety of styles including working in mass groups, smaller groups, partner work and individual within their specific age range together with lessons that are appropriately differentiated for the age range in question.

Ysgol Felinwnda children will have a better learning environment in a school with more learners of the same age, it will ensure that they make the most of their education and allow access to more activities relevant to their ability level.

The children of Ysgol Felinwnda will benefit from having more age-relevant peers in a school with more learners, which will ensure suitable educational and extracurricular experiences for them together with access to more extracurricular activities.

4.2 Is the policy therefore likely to have a significant, negative impact on any of the above and what is the reason for this?

The proposal is not likely to have a negative impact on any of the equality features or the General Duty. Ysgol Bontnewydd has equality and anti-bullying policies, as Ysgol Felinwnda currently has.

Like Ysgol Felinwnda, Ysgol Bontnewydd serves an area of linguistic significance, with over 70% of the population able to speak Welsh, therefore the learners will join a Welsh-language school. As no community activities are held at Ysgol Felinwnda, and Canolfan Bro Llanwnda is located next door, closing the school will not affect the community's ability to host community activities, including the Welsh language activities in the area.

4.3 What should be done?

Choose one of the following:

Continue with the policy / service as it is robust	✓
Adapt the policy to delete any barriers	
Suspend and delete the policy as the detrimental impacts are too big	
Continue with the policy as any detrimental impact can be justified	
No further action at this time because it is too soon to decide, or there is insufficient evidence	

4.4 If continuing with the project, what steps will you take to reduce or mitigate any negative impacts?

It is recognised that the loss of a school as an institution within the community can have an impact on community cohesion, and the need to mitigate this is anticipated by fostering links between Ysgol Bontnewydd and the community of Felinwnda.

There is a community centre in Felinwnda, therefore it is unlikely that the community will need another community resource. Nevertheless, Gwynedd Council has a school post-use policy which gives the offer to communities of schools that are closing to submit a proposal for the ownership of sites for community use.

4.5 If you are not taking any further action to delete or reduce the negative impacts, explain why here.

The school (and their Governing Body) is responsible for implementing its equality policy and the Authority, through its usual support and monitoring procedures, will ensure compliance.

Relationship and sexuality education has a positive and empowering role to play in the education of learners and is essential to forming and maintaining a range of relationships, all based on mutual trust and respect, at the core of relationship education and sexuality. These relationships are crucial to develop emotional well-being, resilience and empathy. An understanding of sexuality with an emphasis on rights, health, equality and fairness empowers learners to understand themselves, take responsibility for their own decisions and behaviours and form relationships.

5) Monitoring

5.1 What steps will you take to monitor the impact and effectiveness of the policy or service (action plan)?

The intention is to hold an objection period subject to the decision of the Cabinet, and we will adjust the assessment following any comments received as a result of the objection period, and any discussions with stakeholders.

Impact Assessment Report of the Well-being and Future Generations Act

- March 2023

- 3. DOES THE PROPOSAL MEET THE ACT'S WELFARE OBJECTIVES?**
- 4. SUSTAINABLE DEVELOPMENT PRINCIPLES**
- 5. CONCLUSION**

1. INTRODUCTION

We as a Council are committed to the principles within the Well-being of Future Generations Act (2015) in order to improve the economic, social, environmental and cultural well-being of Gwynedd's communities.

The Council's vision is:

Our vision as a Council is to support all the people of Gwynedd to flourish and to live a complete life in their community in a county that is one of the best counties to live in.

The Council has adopted well-being objectives which complement the national well-being goals ensuring that the residents of Gwynedd are:

- Giving our children and young people the best possible start in life
- Strengthening the economy and supporting the people of Gwynedd to earn a decent salary
- Supporting Gwynedd residents to live in suitable and affordable homes in their communities
- Supporting the residents of Gwynedd to live full and safe lives in our communities
- Ensuring that we give our residents every possible opportunity to use the Welsh language in the community
- Protecting the county's natural beauty, and responding positively to the climate change crisis
- Putting the residents of Gwynedd first and treating them fairly and ensuring that the Council performs effectively and efficiently

The table below outlines the link between our well-being objectives and the national well-being goals.

	Prosperous	Resilient	Healthier	Equal	Cohesive Communities	A vibrant culture and thriving Welsh language	Globally responsible
TOMORROW'S GWYNEDD Giving our children and young people the best possible start in life							
A PROSPEROUS GWYNEDD Strengthening the economy and supporting the people of Gwynedd to earn a decent salary							
A HOMELY GWYNEDD Supporting Gwynedd residents to live in suitable and affordable homes in their communities							
A CARING GWYNEDD Supporting the residents of Gwynedd to live full and safe lives in our communities							
A WELSH GWYNEDD Ensuring that we give our residents every possible opportunity to use the Welsh language in the community							
A GREEN GWYNEDD Protecting the county's natural beauty, and responding positively to the climate change crisis							
AN EFFICIENT GWYNEDD Putting the residents of Gwynedd first and treating them fairly and ensuring that the Council performs effectively and efficiently							

The Education Department has a role to promote the well-being goals of the Act among learners through their activities and projects. The Act places a duty on public bodies in Wales to improve economic, social, environmental, and cultural well-being. As part of the duty the Council has published well-being objectives which outline how it will improve in the "Gwynedd Plan 2023-2028"

1.1 Context

Ysgol Gynradd Felinwnda is located near the village of Saron and Dinas on the outskirts of Caernarfon and serves the surrounding villages and area. Ysgol Felinwnda's situation has come to the attention of the Education Department because, according to the September 2022 Census, this is the school with the least amount of learners in Gwynedd. There has been a significant reduction in the numbers of Ysgol Felinwnda learners over the past 10 years, from 31 pupils in 2012 down to 8 pupils today, which leads to concerns about the school's future.

1.2 The proposal in question

Due to the low numbers and other worrying issues with the school, an evaluation was carried out of several options that will respond to them, coming to the decision that the preferred option will be **a proposal to close Ysgol Felinwnda on 31 August 2023 and offer a place to Felinwnda catchment area learners at Ysgol Bontnewydd from 1 September 2023.**

2. HOW DOES THE PROPOSAL MEET GWYNEDD COUNCIL'S WELFARE OBJECTIVES?

Closing Ysgol Felinwnda and offering a place to learners at Ysgol Bontnewydd	
Objectives	Details:
Giving our children and young people the best possible start in life	The proposal will ensure that children in the area foster experiences by socialising with a wider range of age-related peers and receiving a quality education in a school that can offer a learning environment and experiences to a wider range of learners.
Strengthening the economy and supporting the people of Gwynedd to earn a decent salary	It is anticipated that the implementation of this option would lead to staff redundancies. A detailed staffing policy was developed by Gwynedd Council in collaboration with Trade Unions and head teachers. The policy will form the basis of any change to staff employment resulting from any proposal. Clear and open communication will be central to the successful implementation of any proposals.
Supporting Gwynedd residents to live in suitable and affordable homes in their communities	No effect.
Supporting the residents of Gwynedd to live full and safe lives in our communities	Ensuring that the learners receive a first class education will be at the core of the proposal, ensuring that they will receive an education of the same quality and standard at Ysgol Bontnewydd.
Ensuring that we give our residents every possible opportunity to use the Welsh language in the community	Ysgol Felinwnda learners live in a Welsh-medium society and are educated in a Welsh-medium school, such as Ysgol Bontnewydd. It is likely that the proposal will have a positive impact on the Welsh language as Ysgol Felinwnda learners benefit from more opportunities to use the Welsh language with a wider range of peers in the classroom and socially. Ysgol Bontnewydd serves an area that is a stronghold of the Welsh language with over 70% of the population able to speak Welsh.
Protecting the county's natural beauty, and responding positively to the climate change crisis	No effect.
Putting the residents of Gwynedd first and treating them fairly and ensuring that the Council performs effectively and efficiently	No effect.

3. DOES THE PROPOSAL MEET THE WELFARE AIMS OF THE ACT?

Objective	Does the proposal contribute to this goal?	Measures to mitigate negative effects on this goal:
<p>A prosperous Wales An innovative society that uses resources prudently, educated people, that create wealth and work.</p>	<p>The implementation of the proposal to close Ysgol Felinwnda and teach the children at Ysgol Bontnewydd means that the learners build experiences by socialising with a wider range of peers, age-related and receiving a quality education in a school that can offer a learning environment and experiences to a wider range of learners.</p> <p>Introducing this option can lead to staff losing their jobs.</p>	<p>Staff and representatives of the Unions in particular will have the opportunity to express an opinion during the statutory objection period. Gwynedd Council has developed a detailed staffing policy, jointly with Trade Unions and headteachers. Any redundancies as a result of this proposal will have to be in line with that policy. Clear and open communication will play a key role in implementing any proposals.</p>
<p>A resilient Wales A nation that maintains and enhances biodiversity and healthy ecosystems that support resilience and adaptability to change (for example climate change).</p>	<p>It is not anticipated that the proposal would be likely to have an impact on this aim.</p>	<p>No effect</p>
<p>A healthier Wales A society where people's physical and mental well-being is as good as possible, and people understand what affects their health.</p>	<p>It is not anticipated that the proposal would be likely to have an impact on this aim.</p>	<p>No effect</p>
<p>A more equal Wales A society that enables people to achieve their potential regardless of their background or circumstances (including their socio-economic background and circumstances).</p>	<p>The proposal will improve the Authority's ability to <i>"offer education of the highest possible quality which will give the County's children the experiences, skills and confidence and enable them to develop into bilingual, successful citizens and complete"</i> in accordance with the vision of the Excellent Primary Education for Children in Gwynedd Strategy.</p>	<p>The Equality Assessment stated that it is not anticipated that the proposal would have a negative impact on equality. In addition, it was noted that there are solid policies and arrangements in place that would ensure that the proposal considers and is compatible with equal rights. It is noted that measures are already in place to ensure that there will be no illegal discrimination or harassment.</p>
<p>A Wales of cohesive communities Attractive, viable and safe communities that are well connected.</p>	<p>It is not anticipated that the proposal would be likely to have an impact on this aim.</p>	<p>An assessment of the likely impact on the community was carried out where it is noted that, although there is some negative impact on the community, that 31 learners who live in the Felinwnda catchment area already choose to attend Ysgol Bontnewydd, and therefore there is already a link between the school and the wider area. It is also noted in the assessment that discussions would be held in order to discuss the possibility that Ysgol Bontnewydd community activity includes the Felinwnda community.</p>

<p>Wales and a vibrant culture where the Welsh language flourishes An association that promotes and protects culture, heritage and the Welsh language and encourages people to participate in the arts, sports and leisure activities.</p>	<p>Completing the proposal will mean that Ysgol Felinwnda learners will continue to be educated in a Welsh-medium school, and in an area of linguistic significance, with over 70% of the population able to speak Welsh.</p>	<p>Canolfan Bro Llanwnda is located next door to the school and hosts several activities including the Cylch Meithrin and Cylch Ti a Fi. As the Center is independent from the school it is not anticipated that the closure of the school will have any effect on the ability of the Cylch Meithrin and Cylch Ti a Fi or other events to continue.</p>
<p>Wales responsible at a global level A nation that, as it does anything to improve the economic, social, environmental, and cultural well-being of Wales, considers whether doing such a thing could contribute positively to global well-being.</p>	<p>It is not anticipated that the proposal would be likely to have an impact on this aim.</p>	<p>No effect.</p>

4. PRINCIPLES OF SUSTAINABLE DEVELOPMENT

Principles of Sustainable Development	Does the proposal consider the principle?
<p>Long Term Balancing short-term needs with long-term ones and planning for the future.</p>	<p>The pattern of decreasing numbers of learners has been constant since 2012, with projections showing that Ysgol Felinwnda number of learners will decrease further over the next few years, and therefore shows that the current challenges facing the school will be long term and that the matter needs to be responded to as soon as possible.</p>
<p>Prevent Allocate resources for preventing problems from occurring or getting worse. We will address problems by preventing and intervening early rather than by reacting.</p>	<p>The needs of the pupils will be prioritised during each stage of the process.</p>
<p>Integration Have a positive impact on people, the economy, the environment, and culture.</p>	<p>The authority has decided to look at Ysgol Felinwnda's future due to the critical situation facing the school.</p>
<p>Cooperation Work with other partners to provide services.</p>	<p>Collaboration with other relevant departments and the individual school will be an important part of achieving the objectives for the benefit of the school and the children of the catchment area.</p>
<p>Content (Communication and Engagement) Involve the people of Gwynedd in trying to complete our plan and ensure that those people reflect the diversity of the area.</p>	<p>Should the Cabinet decide to proceed with the proposal, the authority will comply with the statutory requirements set out in the School Organisation Code, which means that we would hold an objection period following the publication of the statutory notice, in order consider any objections before reaching a final decision.</p>

5. CONCLUSION

Following consideration and assessment in accordance with the requirements of the well-being act, the 7 goals of the well-being act and the Council's well-being objectives were considered, and it is concluded that the proposal meets the requirements.

It is recognised that this proposal leads to the loss of a school in the Felinwnda community, however a large number of the children who live within the school's catchment area already attend Bontnewydd school, and therefore there is already a link between Ysgol Bontnewydd and the Felinwnda community. Every effort will be made to mitigate the impact on the community by encouraging links between the communities. Should the proposal be approved, discussions will be held to discuss the possibility that Ysgol Bontnewydd's community activity includes the Felinwnda community where appropriate.

The proposed proposal will ensure that the children of the area are educated on a site that is suitable and in a natural Welsh language society, increasing opportunities to socialise and collaborate with others and give them a fair chance to flourish among their peers.

Community Impact Assessment Report – Ysgol Felinwnda

- March 2023

- 4. SCHOOLS IN THE CATCHMENT AREA**
- 5. ASSESSMENT OF THE LIKELY IMPACT ON THE COMMUNITY**
- 6. CONCLUSION**

1. INTRODUCTION

As part of the statutory process, when developing a proposal for the reorganisation of a school, the Authority must carry out an assessment of the likely impact on the community, in accordance with the School Organisation Code (011/2018). This assessment is derived from the Welsh Government's national guidelines for the reorganisation of schools, including considerations regarding the unique needs of rural areas. It is stated in the Code:

"In some areas, a school may also be the main hub for community activity, and its closure could have implications beyond the provision of education. This can be a specific feature in rural areas if school buildings are used as a place to provide services to the local community."

"The case that will be prepared by those who present the proposals should show that the impact of closing the school on the community has been assessed by drawing up a Community Impact Assessment and show how it could be carried out any community facilities currently provided by the school."

Source: School Organisation Code 011 /2018

1.1 Background

Ysgol Felinwnda Primary School is located near the villages of Saron and Dinas on the outskirts of Caernarfon and serves the nearby villages and areas. The situation at Ysgol Felinwnda has been brought to the attention of the Education Department as according to the September 2022 Census, this is the school with the lowest numbers of learners in Gwynedd. There has been a significant reduction in the number of learners at Ysgol Felinwnda over the past 10 years, from 31 pupils in 2012 down to 8 pupils by today, and this leads to concerns regarding the school's future.

2. THE PROPOSAL

Following an evaluation of different options against the factors of the Strategy, it was concluded that the preferred option is:

"Close Ysgol Felinwnda on 31 August 2023 and offer place for learners from the Felinwnda catchment area at Ysgol Bontnewydd from 1 September 2023."

3. SUMMARY OF THE AREA

3.1 The Area

Ysgol Gynradd Felinwnda is located in the rural village of Llanwnda near the village of Saron and Dinas on the outskirts of Caernarfon in Gwynedd, with approximately 2000 residents. It is located 3.9 miles from Caernarfon. According to the 2011 census, 1,994 people live in Llanwnda ward.

3.2 The Economy

72.4% of people aged between 16 and 74 within the Llanwnda ward are economically active, and 2.9% of these are unemployed. 27.6% of people in the same age group are economically inactive with 13.8% of these being ill or disabled for a long period.

The type of industry in which the population is active is varied in the area, with the highest rate (18.5%) working in the health and social work field.

According to data from the 'Index of Multiple Deprivation Wales (2014)' the employment rate of Llanwnda ward compared to other wards in Wales gives a rank of 1254 out of 1909 wards. Felinwnda ward is therefore not within the most deprived 50% in Wales.

3.3 Deprivation

Llanwnda Ward is ranked within the least deprived 50% in Wales (rank 1046 out of 1909 wards).

A number of areas make up this overall index, including income, employment, health, education, access to services, community safety, physical environment and housing.

It is noted that Llanwnda ward is within the 20-30% of the most deprived areas in Wales in the 'Housing' field. The indicators in this area are the proportion of people living in overcrowded homes (use of bedrooms), and the proportion of people living in homes without central heating.

In addition, Llanwnda ward is within the 10% of the most deprived areas in Wales in the area of 'access to services', i.e. deprivation because people are unable to access a variety of services that are considered essential for day-to-day living. The indicators include average public and private travel times to a number of services such as food shops, doctor's surgery, primary and secondary schools, post office, public library, pharmacy, leisure centre and private travel time to a petrol station.

Below is a summary of how the Llanwnda area is situated in the context of other areas in Wales according to the Welsh Index of Multiple Deprivation (2014):

Field	Rank in Wales, out of 1909 areas. (1 = most deprived and 1909 = least deprived)	Most deprived % in Wales
Employment	1254	
Income	1092	
Health	1435	
Education	1437	
Housing	388	Within the 20-30% most deprived
Physical environment	1020	
Access to services	116	Within the 10% most deprived
Community safety	1513	

3.4 The Community

A number of activities are held in the Llanwnda Ward, including;

- Sensori Sara
- Reading club
- Rhostryfan Race
- Coffee morning
- Cylch Ti a Fi

- Cylch Meithrin
- Merched y Wawr
- Zumba
- Y Gymdeithas

In addition, there are several facilities in the catchment area, including a community centre, shops, a garage, public transport, a small train station and a children's playground.

4. CATCHMENT AREA SCHOOLS

4.1 The context of the schools according to the Estyn Inspection Reports

As part of Estyn's reports, the schools are placed in context, and their community relations are detailed. This is the context given to Ysgol Felinwnda by Estyn inspectors.

Ysgol Felinwnda

"Ysgol Gynradd Felinwnda is located near the village of Saron and Dinas on the outskirts of Caernarfon and serves the surrounding villages and area."

Source: Estyn Report, June 2017

4.2 Statistical information of the schools

The table below shows the numbers of Ysgol Felinwnda and Ysgol Bontnewydd from Nursery Year to Year 6. This table also shows the capacity of the schools and the number on the register in September 2022. Both schools teach through the medium of Welsh.

School	Full Capacity (N – Yr6)	Number on the register September 2022 (N – Yr6)	Legal Category
Felinwnda	61	8	Community School
Bontnewydd	208	210	Community School

Source: September 2022

4.3 Information about the location of pupil's dwellings and choice of school

Each school has a specific catchment area which it serves, and which is important in terms of the Council's access and transport policy. Learners do not have to attend their catchment area school, the choice is up to parents (in accordance with the admission policy).

Compared to other catchment areas in the area, the number of Ysgol Felinwnda catchment area learners who choose to attend an out-of-catchment school is high. The latest data shows that 48 children aged 3-11 (September 2022 data) live in Felinwnda catchment area; with only 3 of them attending Ysgol Felinwnda. This means that 94% of children who live in Ysgol Felinwnda catchment

area attend schools outside the catchment area, including 31 who attend Ysgol Bontnewydd.

The table below shows the complete information in terms of learners' living locations and their choice of school.

		Home Catchment Area (September 2022)									School Total (N-Y6)
		Bontnewydd	Felinwnda	Llandwrog	Maesincla	Rhosgadfan	Rhostryfan	Y Gelli	Yr Hendre	Other

4.4 Summary of the various facilities in the rural communities (March 2023)

The information below has been collected on the school areas that may be affected by any of the options.

	Felinwnda	Bontnewydd
Community Centre / Village Hall	✓	✓
Chapel/Church	✓	✓
Public Transport	✓	✓
Shop	✓	✓
Cafe/Pub		✓
Post Office		✓
Pharmacy		
Library		
Park	✓	
Bank		
Care Home		✓
Leisure Centre		
Garage	✓	
Tourist Attraction	✓	✓
Cylch Ti a Fi + Meithrin	✓	✓

Community Centre

Canolfan Bro Llanwnda is located next to Ysgol Felinwnda and hosts a number of community activities including:

- Sensori Sara
- Cymdeithas Hanes y Tair Llan
- Zumba
- Merched y Wawr
- Cylch Meithrin
- Cylch Ti a Fi

The Mudiad Meithrin website shows that the Cylch Meithrin meets Monday to Friday between 9:00-12:50 and the Cylch Ti a Fi that Wednesday afternoon (13:15 - 15:30). As the Centre is independent to the school it is not anticipated that the closure of the school will have any effect on the ability of the Cylch Meithrin and Cylch Ti a Fi to continue.

4.5 Summary of schools' use outside core school hours (March 2023)

A summary of community or extra-curricular use of the local school buildings is below:

	Felinwnda	Bontnewydd
Playgroups (School Holidays)		✓
Urdd Community		✓
Dramas		
Voluntary Groups		
Morning/Evening Coffee		✓
Community Auction		
Community Library		
Choir Practice		
Welsh for Adults		
Town/Community Council Meeting		
Cylch Meithrin		✓
Club/Sports Activity		✓
After School Club		✓
Local Interest Club		

According to the Headteacher, there is no community use of Ysgol Felinwnda outside of school hours.

4.6 A summary of activities or groups that the school is regularly involved in:

	Felinwnda	Bontnewydd
Cylch Meithrin/Ti a Fi		✓
Eisteddfod (Local/County/National)	✓	✓
Urdd Community	✓	✓

Other activities (sports, clubs)	✓	✓
-----------------------------------------	---	---

4.7 If buildings, rooms, facilities, or services are provided by a school on behalf of the community, where would they be provided if the school is closed?

School	Where facilities will be provided if it closes
Felinwnda	There is no community use of the school and Canolfan Bro Llanwnda is available for holding activities in the area.

4.8 Information about distance and travel time to other schools in the catchment area

The table below indicates the distance and travel time between schools in the area. We see that Ysgol Bontnewydd is the closest to Ysgol Felinwnda. The travel times below consider the nature of the lanes and the effect that can have on travel time in a rural area.

School		Felinwnda	Bontnewydd	Llandwrog
Felinwnda	Miles			
	Minutes			
Bontnewydd	Miles	1.8 miles		
	Minutes	4 minutes		
Llandwrog	Miles	2 miles	3.9 miles	
	Minutes	8 minutes	8 minutes	

Source: Google Maps 2023

5. ASSESSMENT OF THE LIKELY IMPACT ON THE COMMUNITY

To assess the community impact of the possible models, it was decided to create criteria in accordance with the recommendations of the community assessment considerations of the School Organisation Code 011/2018.

CLOSING YSGOL FELINWENDA AND TRANSFERRING THE LEARNERS TO YSGOL BONTNEWYDD

Positive	Neutral	Negative
----------	---------	----------

Impact Criteria	Description	Status of the impact and the work
Impact on Health and well-being	As over 50% of the learners from the Felinwnda catchment area live within 2 miles of Ysgol Bontnewydd and with a safe route to the school they will have the opportunity to walk to school. Being in a larger school will offer more opportunities to play and take part in team sports and therefore contribute to the health and well-being of learners.	Positive
The implications of the change on public transport provisions	There is no anticipated impact on public transport provision as any transport to Ysgol Bontnewydd as a result of the change will be arranged specifically for learners in the catchment area who are eligible.	Neutral
Impact on other facilities / services provided at the school	There is no community use of the school so the proposal will not have any negative impact on this. Cylch Meithrin and Cylch Ti a Fi are located in Canolfan Bro Llanwnda which is located next door to Ysgol Felinwnda. As the Centre is independent from the school it is not anticipated that the closure of the school will have any effect on the ability of the Cylch Meithrin and Cylch Ti a Fi to continue.	Neutral
Impact on wider community safety	No impact on wider community safety is anticipated.	Neutral
Would the option encourage families and school age children to leave the community, or that young families are less likely to move into the community	As a high number of children from the catchment area already attend Ysgol Bontnewydd it is not anticipated that families and young children would leave the community. As Ysgol Bontnewydd is only 1.8 miles from Ysgol Felinwnda, it is not anticipated that it would have an impact on families and the school aged children leaving the community.	Neutral
Impact on other services provided locally	Cylch Meithrin and Cylch Ti a Fi are located in Canolfan Bro Llanwnda. A number of other events are also held at the Centre. As the Centre is independent from the school it is not anticipated that the closure of the school will have any effect on the ability of the Cylch Meithrin and Cylch Ti a Fi or other events to continue. As a high number of children in the catchment area already attend other schools, it cannot be concluded that closing the school would have an impact on other services.	Neutral
Adverse effect on the wider economy of the community	As most children in the catchment area attend other schools, it is not anticipated that the closure of Ysgol Felinwnda would have an impact on the wider economy of the community.	Neutral
General impact on the local community	As a high percentage of children in the catchment area already attend other schools, we do not anticipate that closing the school would have a negative impact on the local community.	Neutral

6. CONCLUSION

The assessment shows that there is no community use of the school. Canolfan Bro Llanwnda is located next door to the school and hosts several activities including the Cylch Meithrin and Cylch Ti a Fi. As the Centre is independent from the school it is not anticipated that the closure of the school will have any effect on the ability of the Cylch Meithrin and Cylch Ti a Fi or other events to continue.

If the option of closing Ysgol Felinwnda and offering a place to learners at Ysgol Bontnewydd were to be pursued, it is not anticipated that it will have any negative impact on the Felinwnda community. In order to mitigate any possible negative impact on learners we will encourage discussions between Ysgol Bontnewydd and the parents of Ysgol Felinwnda learners so that they can take advantage of their facilities and activities after school, and to encourage collaboration between Ysgol Bontnewydd and the Felinwnda community.

Assessment Report on the Probable Impact on Travel Arrangements – Ysgol Felinwnda

- March 2023

Contents

	Page
1. INTRODUCTION	
1.1 Cyngor Gwynedd Transport Policy	
1.2 The context of Ysgol Felinwnda	
2. THE OPTIONS IN QUESTION	
3. ASSESSMENT OF THE IMPACT ON TRANSPORT ARRANGEMENTS	
3.1 Location of the alternative school	
3.2 Free transport option	
3.3. Financial impact	
4. CONCLUSION	

1. INTRODUCTION

Ysgol Felinwnda Primary School is located near the villages of Saron and Dinas on the outskirts of Caernarfon and serves the nearby villages and areas. The situation at Ysgol Felinwnda has been brought to the attention of the Education Department as according to the September 2022 Census, this is the school with the lowest numbers of learners in Gwynedd. There has been a significant reduction in the number of learners at Ysgol Felinwnda over the past 10 years, from 31 pupils in 2012 down to 8 pupils by today, and this leads to concerns regarding the school's future.

As part of the process of developing a proposal(s) for school reorganisation, the Authority must carry out an assessment of the likely impact on different travel arrangements, in accordance with the School Organisation Code (011/2018).

Due to the low numbers and other matters of concern regarding the school, an appraisal of several options that would respond to these was undertaken before coming to the decision that the preferred option was to **close Ysgol Felinwnda on 31 August 2023 and offer a place for the pupils at Ysgol Bontnewydd from 1 September 2023 onwards.**

1.1 Cyngor Gwynedd Transport Policy

The *'Excellent Primary Education for the Children of Gwynedd Strategy'* aims to restrict travel from home to school to a one-way journey of no more than 30 minutes.

Cyngor Gwynedd provides free transport for learners who live two or more miles from the school in their catchment area, or the nearest school (not including nursery pupils). Learners who receive primary education are expected (except for learners with additional learning needs or disabilities), to walk up to two miles to meet any modes of transport provided by Cyngor Gwynedd. The transport policy can be seen in the parents' handbook:

<https://www.gwynedd.llyw.cymru/en/Residents/Documents-Residents/Schools-and-learning-documents/School-Admissions/Guide-Book.pdf>

1.2 Context of Ysgol Felinwnda

Ysgol Felinwnda Primary School is located near the villages of Saron and Dinas on the outskirts of Caernarfon and serves the nearby villages and area. It provides education for pupils aged between 3 and 11 years and has capacity for 61 (N-Yr6).

In September 2022, 48 learners aged between 3-11 lived in the Ysgol Felinwnda catchment area with three of those pupils attending Ysgol Felinwnda. This means that 45 learners in the catchment area (between 3-11) attend out-of-catchment schools, with 31 of these attending Ysgol Bontnewydd.

2. THE PROPOSAL IN QUESTION

Closure of Ysgol Felinwnda on 31 August 2023 and offer a place for the learners in the Felinwnda catchment area at Ysgol Bontnewydd from 1 September 2023 onwards.

Ysgol Bontnewydd is located approximately two miles from Ysgol Felinwnda. In accordance with the Cyngor Gwynedd transport policy, the authority would offer transport to the learners of the current Ysgol Felinwnda catchment area choosing to attend Ysgol Bontnewydd and living more than two miles from the school.

In addition, in terms of the learners who would choose to attend Ysgol Bontnewydd but who live less than two miles away from the school and therefore not entitled to free transport, but as a result of the fact that they would travel to school along a road considered by the Council to be very dangerous, then free transport will be provided to those learners.

3. ASSESSMENT OF THE IMPACT ON TRANSPORT ARRANGEMENTS

3.1. Location of the alternative school

Ysgol Bontnewydd is in the village of Bontnewydd, approximately 1.1 miles down the road from the village of Llanwnda and 2 miles from Ysgol Felinwnda.

3.2. Free transport options

In line with Cyngor Gwynedd transport policy, learners who receive primary or secondary education (with the exception of learners with additional learning needs or disabilities), are expected to walk up to two miles to meet any modes of transport provided by Cyngor Gwynedd along the shortest route.

The shortest route available is the route which is not deemed by the Council to be especially dangerous, after assessing the other routes available for the journey, and these routes would be assessed in line with Cyngor Gwynedd's transport policy.

As the route to Ysgol Felinwnda is considered dangerous to some learners, the authority already provides a free taxi to two of the three learners eligible from the catchment area.

Having considered all the learners who live in the Ysgol Felinwnda catchment area, it is anticipated that it will be necessary to continue to offer a taxi or bus to the 2 existing Ysgol Felinwnda learners and offer transport to up to 21 learners who live in the Felinwnda catchment area but attend Ysgol Bontnewydd, with 25 of the remaining learners living less than 2 miles from Ysgol Bontnewydd with a safe route to school.

3.3. Financial impact

The cost of undertaking this would be reliant on the number of learners who will require transport.

Based on the September 2022 prices, a bus to transport eligible learners would cost between £45,000 - £55,000 a year, and a three-seater taxi would cost £40-£60 a day and would therefore cost approximately £7,400 - £11,100 a year.

The following summary indicates the possible financial impact of the different scenarios in the context of the travel arrangements:

	Taxi or bus	The probable annual financial impact on travel arrangements for the Authority
Closure of Ysgol Felinwnda and offer a place for the two learners who already get transport to Ysgol Felinwnda	Taxi	1 taxi @ £7,400 - £11,100 a year
Providing transport to half the 3-11 year old learners in the Ysgol Felinwnda catchment area who are eligible (12 learners)	Taxi Bus	4 taxi @ £7,400 - £11,100 a year = £29,600 -£44,400 1 bus @ £45,000 - £55,000 a year
Providing transport for all 3-11 year old learners in the Ysgol Felinwnda catchment area who are eligible (23 learners)	Bus	1 bus @ £45,000 - £55,000 a year

It is important to note that 31 learners from the Felinwnda catchment area already travel to Ysgol Bontnewydd for their education and the Council does not organise transport for them.

4. CONCLUSION

Should the proposal be implemented, learners living within the Ysgol Felinwnda catchment area would receive transport to Ysgol Bontnewydd in accordance with the County's School Transport Policy.

Should the proposal to close Ysgol Felinwnda be implemented, and the learners offered a place in Ysgol Bontnewydd, it is anticipated that two of the learners receiving free transport to Ysgol Felinwnda at present will continue to be eligible for transport to Ysgol Bontnewydd and, subject to parents' choice, 21 additional learners may require transport.

Should all 3-11 year old learners in the Ysgol Felinwnda catchment area who are eligible need transport to Ysgol Bontnewydd, it is anticipated that there would be a need to arrange a bus to transport them at a cost of around £45,000-£55,000 a year.

Quality and Standards of Education Assessment Report - Ysgol Felinwnda

- March 2023

Contents

1. INTRODUCTION
2. SUMMARY
3. ASSESSMENT OF IMPACT ON STANDARDS AND QUALITY OF EDUCATION
4. CONCLUSION

1. INTRODUCTION

Ysgol Felinwnda Primary School is located near the villages of Saron and Dinas on the outskirts of Caernarfon and serves the nearby villages and area. The situation at Ysgol Felinwnda has been brought to the attention of the Education Department as according to the September 2022 Census, this is the school with the lowest numbers of learners in Gwynedd. There has been a significant reduction in the number of learners at Ysgol Felinwnda over the past 10 years, from 31 pupils in 2012 down to 8 pupils by today, and this leads to concern regarding the school's future.

As part of the process of developing a proposal(s) for school reorganisation, the Authority must assess the likely impact on the quality and standards of education, in accordance with the School Organisation Code (011/2018).

Since there are fewer than 10 registered learners in the school a final decision.

Due to the low numbers and other matters of concern regarding the school, an appraisal of the number of options that would respond to these was undertaken coming to the decision that the preferred option was to **close Ysgol Felinwnda on 31 August 2023 and offer a place for the pupils at Ysgol Bontnewydd from 1 September 2023 onwards.**

The Council is committed to providing an education of the highest possible quality that will give the County's children the experiences, skills and confidence that would enable them to develop to be bilingual, successful and well-rounded citizens.

It continues to be a high priority to provide the best possible learning experiences for every learner within the County, and ensuring an exciting and broad curriculum, as well as extra-curricular activities that motivate them to learn and understand, that will lead to improving standards.

2. SUMMARY

Following the last Estyn inspection in 2017, it was concluded that the performance of the current Ysgol Felinwnda was 'Good'.

See below a summary of the latest inspections of the two schools that are subject to the proposal.

2.1 Ysgol Felinwnda

Ysgol Felinwnda Primary School is located near the villages of Saron and Dinas on the outskirts of Caernarfon and serves the nearby villages and area. It provides education for pupils aged between 3 and 11 years and has capacity for 61 (N-Yr6).

School	Inspection year	How good are the outputs?	How good is the provision?	How good is the leadership and management?
Felinwnda	June 2017	Good	Good	Good

2.2 Ysgol Bontnewydd

Ysgol Bontnewydd is located approximately 2 miles from Ysgol Felinwnda in the direction of Caernarfon. It provides education for pupils aged between 3 and 11 years and has capacity for 208 (N-Yr6).

School	Inspection year	How good are the outputs?	How good is the provision?	How good is the leadership and management?
Bontnewydd	February 2017	Good	Good	Excellent

3. THE OPTION IN QUESTION

- Close Ysgol Felinwnda and offer a place for the learners at Ysgol Bontnewydd

This option means that Ysgol Felinwnda would close, and current learners would be offered a place at Ysgol Bontnewydd (the alternative school).

**CLOSE YSGOL FELINWENDA AND OFFER LEARNERS A PLACE AT YSGOL BONTNEWYDD –
ASSESSMENT OF THE IMPACT ON QUALITY AND EDUCATION STANDARDS**

Positive	Neutral	Negative
-----------------	----------------	-----------------

Impact Criteria	Description	Status of the impact and the work
Standards and general progress of specific groups and in terms of skills	'Good' was the outcome of the Estyn inspection for the standards indicators at Ysgol Felinwnda, whilst Ysgol Bontnewydd was 'Excellent'. Therefore, based on the outcome of these inspections, it is concluded that there would be a positive impact on the teaching standards should learners be transferred from Ysgol Felinwnda to Ysgol Bontnewydd.	Positive
Well-being and attitudes to learning	'Good' was the outcome of the 'Well-being' indicator at Ysgol Felinwnda and Ysgol Bontnewydd in their previous inspections in 2017. Therefore, based on the outcomes of these inspections, it is concluded that no impact is anticipated on this field by transferring learners to Ysgol Bontnewydd.	Neutral
Teaching and learning experiences	'Good' was the outcome of the 'Learning Experiences' indicator at Ysgol Felinwnda and Ysgol Bontnewydd in their last inspections in 2017. However, due to the size of classes, Ysgol Bontnewydd can offer an opportunity to learn in larger groups with age-relevant peers in order to expand their experiences. Therefore, based on this, it is concluded that there would be a positive impact on the teaching and learning experiences by transferring learners from Ysgol Felinwnda to Ysgol Bontnewydd.	Positive
Care, support and guidance	'Good' was the outcome of the Estyn inspection for the 'Care Support and Guidance' indicator at Ysgol Felinwnda in their last inspection in 2017, whilst the outcome at Ysgol Bontnewydd was 'Excellent'. Consequently, it is deemed that the option would have a positive impact on the care support and guidance to transfer Ysgol Felinwnda learners to Ysgol Bontnewydd.	Positive
Leadership and management	In the previous Estyn report for Ysgol Felinwnda it was noted that the leadership and management of the school was 'Good', while it was judged that leadership and management at Ysgol Bontnewydd was 'Excellent'. Therefore, based on the outcome of these inspections, it is concluded that there would be a positive impact on leadership and management by transferring learners from Ysgol Felinwnda to Ysgol Bontnewydd.	Positive
Vulnerable groups, including children with Additional Learning Needs (ALN)	Support is provided to vulnerable groups, including children with additional learning needs, in accordance with the Authority's policy and the requirements of the Additional Learning Needs and Education (Wales) Act 2018 as in every school in Gwynedd.	Neutral
A provision that at least equates to what is available to learners at the time (including those with ALN)	'Good' was the outcome of the Estyn inspection for the 'Standards' indicators at Ysgol Felinwnda, the same as Ysgol Bontnewydd. Therefore, based on this, it is concluded that there would be no impact on the standards of learners by transferring learners from Ysgol Felinwnda to Ysgol Bontnewydd.	Neutral

The above assessment has been carried out based on information in the Ysgol Felinwnda Estyn report, June 2017 and Ysgol Bontnewydd, February 2017.

4. CONCLUSION

Based on the conclusion of the above assessment, it is concluded that the standard of education provided at Ysgol Bontnewydd is higher than the standard of education at Ysgol Felinwnda. Consequently, it is anticipated that there would be a positive impact in terms of the quality and standards of education deriving from the proposal to close Ysgol Felinwnda and transferring the learners to Ysgol Bontnewydd.
