Cwestiwn i TRAFNIDIAETH CYMRU / Question for TRANSPORT FOR WALES

Cwestiwn i NETWORK RAIL/ Question for NETWORK RAIL

A oes modd paentio stesion Criccieth? Mae Criccieth yn ei Blodau yn gweithio'n galed ar welliannau a chynnal y tiroedd yno a bydde'n hwb mawr cael cotiad o baent i'r stesion er mwyn gwella golwg a chroesawu defnyddwyr yno.

Mae graffiti wedi ymddangos ar rhai o'r pontydd rhwng Criccieth a'r Graig Ddu – a oes modd i chi eu gwaredu?

Diolch yn fawr iawn am eich ystyriaeth.

Can Criccieth station be painted? Criccieth in Bloom is working hard on improvements and maintaining the grounds there, and it would be a great boost if the station could have a coat of paint to improve the look and welcome users there.

Graffiti has appeared on some of the bridges between Criccieth and Graig Ddu - is there a way for you to get rid of them?

Thank you very much for your consideration.
