

REPORT TO THE JOINT COMMITTEE

20 MARCH 2024

Report by: Arwyn Thomas, GwE Managing Director

Subject: GwE Regional Business Plan 2023-2024 - Quarter 3 Monitoring Report

1.0 Purpose of the Report

1.1 To present the Quarter 3 Monitoring Report - GwE Regional Business Plan 2023-2024 to the Joint Committee.

2.0 Background

2.1 The Business Plan sets out our vision, values and behaviours and the priority areas for improvement across the region.

2.2 The regional priorities and areas for improvement are strongly embedded in the findings of internal self-evaluation processes, external reviews of current practice and direction of travel and consultation with Headteachers and Local Authorities. Our priorities are a combination of improving provision, leadership and outcomes in schools, along with realising the Reform Journey and the Curriculum for Wales.

2.3 Progress against the Regional Business Plan is reported to the Joint Committee. Attached is the monitoring report for quarter 3.

3.0 Considerations

3.1 The Managing Director and Chair of the Management Board have responsibility for delivering the Regional Plan, as accountable officers. The Joint Committee is ultimately accountable for delivering the plan.

3.2 The GwE Business Planning Framework ensures clarity and strategic harmony in achieving priorities locally, regionally and nationally. Throughout the year, reports pertaining to our priority streams in the Business Plan will be informed through our governance groups.

3.3 These priorities are supported by detailed service plans, which note the support and provision available to all schools in the region. How and when each priority will be achieved is outlined, and expectations set in terms of next steps in realising the reform journey. In addition, each Local Authority has a detailed business plan which has been agreed by the Head of Service and the Core Adviser.
