DATE: 21 June 2024
SUBJECT: Pay Policy Statement 2024/25
AUTHORS: Alwen Williams, Interim CJC Chief Executive

DECISION SOUGHT:

To adopt a pay Policy statement for North Wales Corporate Joint Committee in respect of 2024/25.

1. INTRODUCTION

- i) In accordance with the content of the 2011 Localism Act, it is a statutory duty on all public authorities to adopt a pay Policy statement on an annual basis. This statutory requirement is relevant to the North Wales Corporate Joint Committee.
- ii) The Joint Committee adopted its initial pay policy in June 2022. Having reviewed that document, it has been concluded that there are no changes to the contents of the policy at this time. As a result, it is proposed that the attached pay policy statement is adopted for 2024/25.

RECOMMENDATION

The North Wales Corporate Joint Committee is asked to adopt the appended pay policy statement for 2024/25.

STATUTORY OFFICERS' COMMENTS

Monitoring Officer

As noted in the report it is a statutory requirement that the Corporate Joint Committee adopts its own Pay Policy Statement. It is also a statutory requirement that it adopts a Policy for each Financial Year.

Statutory Finance Officer

I am satisfied that the Pay Policy recommended for adoption by the CJC is consistent with the Budget for 2024/25 and meets the statutory requirements.
