Introduction

I have now substantially completed my audit in line with my Detailed Audit Plan 2024, subject to completion of final audit procedure steps. Should any issues arise from this work, we will provide a verbal update at the Pension Fund Committee.

This Audit of Accounts Report summarises the main findings from my audit of your 2023-24 annual report and accounts. My team have already discussed these issues with the Investment Manager.

I am very grateful to your officers for their support in undertaking this audit.

Adrian Crompton

Wales

Your audit at a glance

Audit opinions

We are proposing to give an unqualified opinion on the accounts.

We have nothing to report under the other sections of my report, i.e. those relating to going concern; other information; other matters; or matters I report by exception.

Significant issues

There are no misstatements or significant issues to report.

Materiality

Materiality £30.744 million

Reporting threshold ('trivial') £1.537 million

Areas of specific interest:

- Related party disclosures - Key Management Personnel £1,000

Financial statements' materiality

Materiality £30.744 million

My aim is to identify and correct material misstatements, i.e. those that might otherwise cause the user of the accounts to be misled.

Materiality is calculated using:

- 2023-24 gross assets of £3.074 billion
- Materiality percentage of 1%

I apply the materiality percentage to gross expenditure to calculate materiality.

I will report to you any misstatements above £1.537 million, calculated as 5% of materiality (called the 'trivial level').

Areas of specific interest

There are some areas of the accounts that may be of more importance to the user of the accounts. We set lower materiality levels for these as follows:

- Related party disclosures - Key Management Personnel £1,000

Ethical compliance

Compliance with ethical standards

We believe that:

- we have complied with the ethical standards we are required to follow in carrying out our work;
- we have remained independent of yourselves;
- our objectivity has not been comprised; and
- we have no relationships that could undermine our independence or objectivity.

Proposed audit opinion

Audit opinion

We intend to issue an unqualified audit opinion on this year's accounts once you have provided us with a Letter of Representation (see below).

Our proposed audit report is set out in **Appendix 1**.

Letter of representation

A Letter of Representation is a formal letter in which you confirm to us the accuracy and completeness of information provided to us during the audit. Some of this information is specified as being necessary by auditing standards; other information may relate specifically to your audit.

The letter we are requesting you to sign is included in **Appendix 2**.

Issues Arising During the Audit

Misstatements

A misstatement arises where information in the accounts is not in accordance with accounting standards.

Corrected misstatements

During our audit, we identified misstatements that have been corrected by management, but which we consider should be drawn to your attention.

These are set out in **Appendix 3**.

Appendix 1

Proposed audit report

The report of the Auditor General for Wales to the members of the Gwynedd Council as administering Authority for the Gwynedd Pension Fund

Opinion on financial statements

I have audited the financial statements of the Gwynedd Pension Fund for the year ended 31 March 2024 under the Public Audit (Wales) Act 2004.

Gwynedd Pension Fund's financial statements comprise the fund account, the net assets statement and the related notes, including the material accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2023-24.

In my opinion, in all material respects, the financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year 31 March 2024 and of the amount and disposition at that date of its assets and liabilities; and
- have been properly prepared in accordance with legislative requirements and UK adopted international accounting standards as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2024.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report.

My staff and I are independent of the Gwynedd Pension Fund in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the responsible financial officer with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Responsible Financial Officer is responsible for the other information contained within the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon. My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit, the information contained in the annual report for the financial year for which the financial statements are prepared is consistent with the financial statements and is in accordance with the Local Government Pension Scheme Regulations 2013.

Matters on which I report by exception

In the light of the knowledge and understanding of the pension fund and its environment obtained in the course of the audit, I have not identified material misstatements in the annual report.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- I have not received all the information and explanations I require for my audit;
- adequate accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team; or
- the financial statements are not in agreement with the accounting records and returns.

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the financial statements, the responsible financial officer is responsible for:

- the preparation of the financial statements, which give a true and fair view;
- maintaining proper accounting records;
- internal controls as the responsible financial officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; and

Appendix 1

- assessing the Gwynedd Pension Fund's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible financial officer anticipates that the services provided by Gwynedd Pension Fund will not continue to be provided in the future.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit the financial statements in accordance with the Public Audit (Wales) Act 2004.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management, the Head of Internal Audit and those charged with governance, including obtaining and reviewing supporting documentation relating to Gwynedd Pension Fund's policies and procedures concerned with:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
 - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud. As part of this discussion, I identified potential for fraud in the posting of unusual journals;
- Obtaining an understanding of Gwynedd Pension Fund's framework of authority as well as other legal and regulatory frameworks that Gwynedd Pension Fund operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of Gwynedd Pension Fund; and
- Obtaining an understanding of related party relationships.

In addition to the above, my procedures to respond to identified risks included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;

- Enquiring of management, the Pensions Committee and legal advisors about actual and potential litigation and claims;
- Reading minutes of meetings of those charged with governance and the administering authority;
- In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business; and
- I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the Gwynedd Pension Fund's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other auditor's responsibilities

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Gwynedd Pension Fund in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

Representations regarding the 2023/24 financial statements

This letter is provided in connection with your audit of the financial statements of Gwynedd Pension Fund for the year ended 31st March 2024 for the purpose of expressing an opinion on their truth and fairness.

I confirm that to the best of my knowledge and belief, having made enquiries as I consider sufficient, I can make the following representations to you.

Management representations

Responsibilities

I have fulfilled my responsibilities for:

- the preparation of the financial statements in accordance with legislative requirements and CIPFA code; in particular the financial statements give a true and fair view in accordance therewith; and
- the design, implementation, maintenance and review of internal control to prevent and detect fraud and error.

Information provided

We have provided you with:

- full access to:
 - all information of which we are aware that is relevant to the preparation of the financial statements such as books of account and supporting documentation, minutes of meetings and other matters;
 - additional information that you have requested from us for the purpose of the audit; and

- unrestricted access to staff from whom you determined it necessary to obtain audit evidence.;
- the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- our knowledge of fraud or suspected fraud that we are aware of and that affects Gwynedd Pension Fund and involves:
 - management;
 - employees who have significant roles in internal control; or
 - others where the fraud could have a material effect on the financial statements;
- our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others;
- our knowledge of all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements; and
- the identity of all related parties and all the related party relationships and transactions of which we are aware.

Financial statement representations

All transactions, assets and liabilities have been recorded in the accounting records and are reflected in the financial statements.

The methods, the data and the significant assumptions used in making accounting estimates, and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in the context of the applicable financial reporting framework.

Related party relationships and transactions have been appropriately accounted for and disclosed.

All events occurring subsequent to the reporting date which require adjustment or disclosure have been adjusted for or disclosed.

All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

The financial statements are free of material misstatements, including omissions. The effects of uncorrected misstatements identified during the audit are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Representations by the Pensions Committee

We acknowledge that the representations made by management, above, have been discussed with us.

We acknowledge our responsibility for the preparation of true and fair financial statements in accordance with the applicable financial reporting framework. The financial statements were approved by the Gwynedd Pension Fund/ Pensions Committee on Monday 16th September 2024.

We confirm that we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that it has been communicated to you. We confirm that, as far as we are aware, there is no relevant audit information of which you are unaware.

Audit quality

Our commitment to audit quality in Audit Wales is absolute. We believe that audit quality is about getting things right first time.

We use a three lines of assurance model to demonstrate how we achieve this. We have established an Audit Quality Committee to co-ordinate and oversee those arrangements. We subject our work to independent scrutiny by QAD*, and our Chair acts as a link to our Board on audit quality. For more information see our [Audit Quality Report 2023](#).

Our People

The first line of assurance is formed by our staff and management who are individually and collectively responsible for achieving the standards of audit quality to which we aspire.

- Selection of right team
- Use of specialists
- Supervisions and review

Arrangements for achieving audit quality

The second line of assurance is formed by the policies, tools, learning & development, guidance, and leadership we provide to our staff to support them in achieving those standards of audit quality.

- Audit platform
- Ethics
- Guidance
- Culture
- Learning and development
- Leadership
- Technical support

Independent assurance

The third line of assurance is formed by those activities that provide independent assurance over the effectiveness of the first two lines of assurance.

- EQCRs
- Themed reviews
- Cold reviews
- Root cause analysis
- Peer review
- Audit Quality Committee
- External monitoring

* QAD is the quality monitoring arm of ICAEW.
