

Dear Cllr. Elwyn Jones,

Thank you for your letter of July 14. I would like to join you in congratulating the men's national team on their outstanding success, and we wish the team every success in their efforts.

I agree that the team's success in qualifying for the 2022 World Cup has provided many important and exciting opportunities to promote our country, our unique values, and ensuring a legacy in sport for future generations.

The opportunities to showcase Wales to the world are currently being considered with our stakeholders, building on the strong partnership that already exists between Visit Wales and the Football Association of Wales. This will involve using Welsh as one of the main pillars of our activities, emulating what we did during the Euros tournament in 2016.

I would like to thank you for your kind words and continued support at Cyngor Gwynedd.

Yours sincerely
