Gwynedd and Anglesey Local Plan

The following 2018/19 plan aims at building on the extensive work which has been undertaken in recent years which has led to a significant reduction in Crime and Disorder in the counties of Gwynedd and Anglesey.

The plan will focus on areas of work which need to be developed during 2018/19, taking into account the recently commissioned Gwynedd and Anglesey Community Safety Survey. Further analysis of these results will help shape some of the outcomes of which we'll be responding to accordingly. The plan will also take into account the strategic assessment objectives and the guidance and priorities that have been established by the Regional Board.

However, we will also note the areas of work which have already been established, but will continue to contribute towards our focus and priority fields.

The Gwynedd and Anglesey priority work areas linked to the PCC Plan and NW Safer Communities Board community safety agenda are:
